2010 Games Summary

After nine days of competition, featuring 2,239 athletes age 50 and over, the 2010 Florida Senior Games State Championships came to an end in Lee County and the City of Cape Coral. The 2010 Games were the final year of an unprecedented five-year run in Southwest Florida. No other Florida community hosted the annual Olympic-style Sports

Festival for seniors for as many consecutive years. The 2011 Florida Senior Games State Championships, the 20th Annual Games, will be held in Polk County, December 3-11, 2011.

The 2010 Games were a qualifier for the 2011 National Senior Games to be held in Houston, Texas, June 16-30. The 2,239 athletes was the highest overall number during the five year run in Lee County and the City of Cape Coral and 1,281 Florida athletes qualified for the 2011 National Senior Games.

Celebrate Senior Health Day

The 19th Annual Florida Senior Games State Championships kicked off Saturday, December 4, with action in seven sports and a proclamation by Lieutenant Governor Jeff Kottkamp (*pictured at right with Francie Plendl, of AstraZeneca, Senior Games athlete Skip Mullaney and Stephen Rodriguez of the Florida Sports Foundation*) declaring the day “Celebrate Senior Health Day in Florida.”

The proclamation stated, “Florida strives to improve the well-being of its citizens in recognizing the importance of a healthy, active lifestyle and vitality at all ages. It is especially important for Americans ages 50 and older to maintain an active lifestyle to prolong longevity, and have a balanced and well-rounded life.”

It was also noted, nearly 40 percent of deaths in America are linked to physical inactivity and poor diet, among other causes. Regular, moderate exercise contributes to improvements in strength, cardiovascular conditioning, flexibility, balance, and body composition.

The Florida Senior Games program provides the opportunity for those over the age of 50 to improve strength and cardio vascular conditioning while engaging in various levels of exercise and competition.

Florida Senior Games State Championships gold medal winner in the 5K and 10K Road Races, Skip Mullaney, told the crowd about a hereditary heart problem. Once he found out about it, he took up running at the age of 38. After a recent doctor visit, the 72-year old Mullaney was told he had “the heart of a 40-year old.”

Mullaney, a Fort Myers resident, appeared at the proclamation ceremony two hours after completing the Florida Senior Games State Championships 10K Road Race in 45:23 to win the gold medal in the 70-74 age group.

Kottkamp saluted Mullaney and the athletes in attendance at the Florida Senior Games State Championships Pickleball competition for their commitment to a healthy and active lifestyle.

Basketball Shooting

Going into the 2010 Florida Senior Games State Championships Basketball Shooting competition, Umatilla’s Andy McGuffin, had connected on 92% of his free throws in 12 years of previous competition. To win the gold medal in the 85-89 age group in 2010, he hit 97% of his 30 free throws, connecting on 29.

McGuffin, the 2005 Florida Senior Games State Championships Male Athlete of the Year, was good on his first round of 10 free throws, missed the final free throw of the second round and then went 10 for 10 in the third round.

It was his 14th overall gold medal in the event since 1994 and he has made good on 361 of 390 free throws since 1995.

He also won gold in the Spot Shooting and Timed Field Goal shooting to run his total number of medals to 41 since 1994. McGuffin hit 14 of his 15 Spot Field Goals and totaled 91 points in the Timed Field Goal Shooting.

Basketball

In a game that exemplified the spirit of the Florida Senior Games State Championships, the 80+ Magic Seniors Basketball team defeated the Collier County Barons 80+ team, 16-14 in overtime at Estero Community Park.

Ron Harp, of Clermont, hit a pair of free throws in the overtime period to seal the victory and the gold medal for the Magic Seniors, their ninth since 1994. The Magic Seniors also won the gold medal in their age group at the 2007 and 2009 National Senior Games.

The Magic Seniors overcame an 8-2 halftime deficit and outscored the Collier County Barons 12-6 in the second half to force the sudden death overtime.

“I also missed a couple of free throws that would have avoided the overtime,” said Harp, who led the team in scoring with six points. The Magic Seniors (*in blue on right*) roster is rounded out by Hugh Ressler, Del Babb and Warren Smith. Bill Eckstrom and Paul McGillicuddy each scored six points for the Barons (*in white on right*), of Naples, while Bill Kemp and Al Murray also saw action.

Going undefeated in men's mixed pool play was the Sarasota YMCA 50+ team featuring Dan McGlaughlin, Larry Miller, Scott Peterson, Robert Plummer, Neil Silverberg and Jack Wallace. The Sarasota YMCA team scored over 70 points in all three of their wins, to earn the gold medal and qualify for the 2011 National Senior Games.

Among women's teams, The Villages Seabreeze 55+ team won all three of its games in combined pool play. The Seabreeze roster is made up of Agnes Green, Cathy Norris, Peggy Peck, Cindy Polster, Sally White and Catherine Mardike. Green was the leading scorer in all three games for the Seabreeze.

Bowling

In one of the finest weekends in the history of Florida Senior Games State Championships bowling, Lady Lake's Richard Merrill posted the first 800 series in the history of the Games, rolled only the second perfect game in 19 years, knocked down nearly 3,000 pins and won four gold medals.

In men's singles, Merrill (*pictured below on right, with sport director Bob Peters, on left*) had game scores of 256, 269 and 300 for a three-game combined total of 825. He topped his own all-time singles score of 775, which he set in 2004, by 50 pins. He now holds the two highest singles scores in Florida Senior Games State Championships history and the 70-74 and 75-79 age group records.

After picking up a spare in the fourth frame of the second game, Merrill closed with 20 consecutive strikes. He had a total of 29 strikes and 6 spares in the three games.

"I left the seven pin in the first and fourth frames," Merrill said. "I threw well on Saturday and it carried over to Sunday. I had a good high access rotation on the ball."

He won the men's doubles gold with Samuel Anzalone, of The Villages with a score of 1311 in the 70-74 age group, 98 pins ahead of the second place finisher. Merrill and Anzalone are Florida Senior Games State Championships Men's Doubles record holders.

He teamed with his wife, Celina, for a combined 1085 score, 200 pins ahead of the 2nd place finishers in the 75-79 age group.

He finished the weekend winning his fourth gold medal as a member of the Ageless Villagers 60-64 age group team. He contributed a three-game score of 707, to the Ageless Villagers total of 2,873.

A former Professional Bowlers Association member, Merrill said he has 4 or 5 perfect games a year and had one the week prior to the Florida Senior Games State Championships.

Men's Singles 256-269-300=825
Men's Team 257-258-192=707

Also etching his name in the Florida Senior Games State Championships record book in Men's Singles for a second time was Stanley Corwin, of Boynton Beach. Corwin, who set the 80-84 age group record with a 619 in 2005, posted a 647 Sunday in the 85-89 age group, breaking the previous record by 48 pins.

Cycling

The temperatures may have been lower than normal and the wind may have been blowing in the faces of Florida Senior Games State Championships cyclists as they left the starting line, but it didn't deter Dave Viney, of Montverde, from shattering the all-time record in the 5K Time Trials with a time of 6:34.873.

Viney (pictured at left) topped the previous best time of 6:59 by 25 seconds. The mark was accomplished twice in 1998 and 2003 by riders in the 50-54 age group. Viney's time earned a gold medal in the 60-64 age group and beat the previous age group record 41 seconds.

"I make myself very aerodynamic when I'm riding," Viney said after the record setting time. "So while the wind and weather may affect other riders, it doesn't affect me as much."

Viney also set a new record in the Men's 10K Time Trials, 60-64 age group with a time of 13:20.423, beating the previous mark of 14:26 by 1:26.

Three 5K women's records were set at Wilmington Parkway in Cape Coral as Tamara Savage, of Boca Raton, set a new mark in the 55-59 age group with a time of 8:27.485. She topped the previous record by nine seconds.

In the 70-74 age group, Frances Weston, of Mt. Dora, rode the 5K course in 10:11.042 to beat a record over 10 years old by 10 seconds. The oldest female rider in the competition, Anna Kay Wood (on right), of Ocala, set 5K and 10K Time Trials records with a 5K time of 15:08.322 in the 85-89 age group, topping the previous mark of over 17 minutes, set in 1998. Her 10K time of 29:50.945, bested the previous record, set in 1996, by over seven minutes.

Cold rain greeted the 20K and 40K road racers at Gator Circle in Cape Coral but five riders went on to win gold medals in both races.

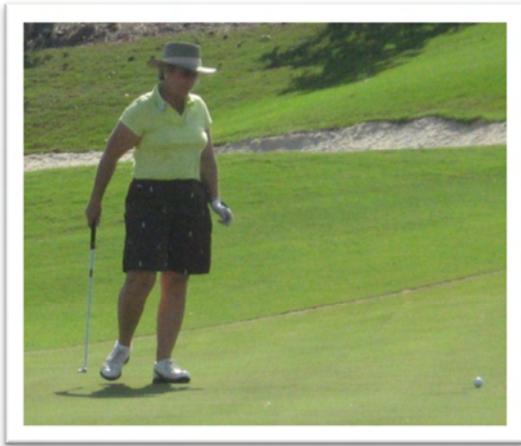

Tamara Savage won a pair of golds in the women's 55-59 age group and Frances Weston golds in the 70-74 age group. On the men's side, Robert Stevens (50-54), Eric Lippens (65-69) and Don Werling (80-84) rode to gold medal winning finishes. With gold medals in the 5K and 10K Time Trials on Tuesday, Savage, Weston and Werling completed sweeps of top honors in all four races.

Golf

Ebba Wiechowski, of The Villages, had the lowest score of the day, at the Men's competition, with a 74, to win the gold medal in the 65-69 age group at the Golf Club at Magnolia Landing.

Wiechowski shot a two-over-par 38 on the front nine and a 36 on the back nine. A double bogey on Hole 3 was the only thing keeping him from shooting par for his round. He had birdies on the fifth and 17th hole.

The gold medal winner in the 90-94 age group, 90-year old David Chase, of Lecanto, shot four strokes shy of his age with a 94. Chase also competed in five field events, at the Track and Field meet, winning gold medals in the discus and javelin throw, shot put, long jump and triple jump. He set records in the 90-94 age group in the shot put, discus throw and triple jump.

Two veteran Florida Senior Games women's golfers continued their dominance in their respective age groups as Janet Brown, of Lakeland, won her eighth consecutive gold medal dating back to the 2003 Games. Shooting an 80, Brown won the gold medal in the 55-59 age group. She tied Linda Frisch, of The Villages, for the low score of the day. Frisch won the gold medal in the 60-64 age group.

Brown (*pictured at left*) recorded the lowest women's score in the history of the Games, shooting a 72 in 2004. In a four-year run between 2003 and 2006, Brown's average Florida Senior Games score was 75.7.

Corkey Nydle, of The Villages, won her seventh consecutive gold medal dating back to the 2004 Games, shooting an 87 to win the 80-84 age group gold medal. Nydle holds the age group records in the 70-74, 75-79 and 80-84 age groups.

Only one age group record was broken as Mary Borque, of Bartow, shot a 102 to win the gold medal in the 85-89 age group and break the previous record by four strokes.

Horseshoes

Virginia Cooper, of Fort Meade, won the gold medal in the 60-64 age group with 42 ringers in 74 throws for a 57% ringer percentage. In a round robin match against fellow gold medal winner in the 70-74 age group, Claudette Braswell, of Lake Wales, Cooper had 18 ringers in 30 throws (60%) while Braswell (57%) had 17 ringers in 30 throws.

Pickleball

The powerhouse mixed doubles team of Deb Harrison and Bill Freeman, both of The Villages, won four matches in the 60-64 age group to earn their sixth consecutive mixed doubles gold medal, dating back to 2005. Harrison and Freeman defeated Sue Crader and Jim Claycomb, of Summerfield in the championship match 11-3, 11-1.

Since 2005, Harrison and Freeman have won 22 consecutive games winning all of their matches in straight sets. The duo has only been pushed past 11 points once, in the championship match of the 2005

Games, when they defeated Rosemarie Pietromonaco and Tony DeMento, of The Villages, 15-13, in the second and deciding game.

Only three times since 2005, have opponents reached eight points and in 44 games of the streak, the pair have outscored opponents 488-133, for an average game score of 11-3. Opponents have scored three points or less in 30 of the 44 games.

The pair also continued their gold medal winning ways in Men's and Women's Doubles. Harrison won her fifth women's doubles gold medal since 2005, teaming with Diane Bock, to win the 55-59 age group.

Freeman won his sixth men's doubles gold medal since 2004, teaming with John Shank, of The Villages, to win their third gold medal in four years. The duo won the 50-54 age group in 2007 and 2008 and won the 55-59 age group this year.

Advancing out of the 14-team 50-54 age group mixed doubles bracket to win the gold medal was Jan Konn, of Naples (*on right in photo*), and Matthew Simon of Fort Myers (*on left in photo*). The duo won five matches defeating Nancy Robertson, of Bloomfield Hills, MI and Albert Wilson, of Ballston Lake, NY, in the final match 11-4, 6-11, 11-7. Robertson and Wilson won four elimination matches in the loser's bracket to advance to the championship.

Konn also won gold medals in women's singles and women's doubles, teaming with Bobbi Little on Saturday to round out her trifecta. Konn was a last minute replacement as Simon's partner, replacing Little, his original partner. Konn became available to replace Little, after an injury.

Of more than 160 Pickleball players, only Konn and Harrison won gold medals in both doubles categories and singles competition.

Race Walk

Following the 1500 meter race walk, M. Ann Marsh, of Fort Lauderdale, and Tom Gearhart, of Chesapeake, VA, were honored with the annual Bob Fine Excellence in Race Walk Award. The annual award recognizes race walk athletes for their previous year's performance in Senior Games race walk events. Both Marsh (*middle left in photo*) and Gearhart (*middle right in photo*) won gold medals in the 2009 5K and 1500 meter events and followed up in 2010 with gold medals in the 5K and silver medals in the 1500 meters.

The award is named in honor of Bob Fine, of Delray Beach, who was a nationally recognized race walk athlete and official. He holds Florida Senior Games State Championships records in the

60-64 age group set in the 1990s.

Racquetball

Geoff Hunter and Bob LeRow won singles and doubles championship matches to be the only athletes to earn such a distinction. Hunter, of Naples, defeated Ken Brown 11-6, 11-8 in the 50-54 singles championship and teamed with Brown to win doubles gold. Bradenton's Lerow defeated Andy Gutierrez, of Cape Coral 1-11, 11-8, 11-9 to win the Men's 55-59 singles and teamed with Ken Drew, of Winter Haven, for the Men's Doubles gold medal.

Road Race

The Games began with the 10K Road Race on Saturday, December 4 with Perry Small, of Fort Myers, as the top 50+ finisher for the second consecutive year, in a race combining runners with the annual Fort Myers River Run. Small's time of 35:03.93 topped his 2009 record setter by more than 30 seconds.

A week later, Saturday morning, December 11, began with the 5K Road Race at Rotary Park in Cape Coral and Ocala's Randy Forde (*at left*) was the top overall finisher with a time of 19:48:06. He crossed the finish line 54 seconds ahead of the next overall finisher, Phil Suelzer, of Bonita Springs, for the gold medal in the 55-59 age group. Forde's 10K time of 39:32.30, set a new age group record.

Skip Mullaney, of Fort Myers, won his second road race of the 2010 Games, with a 5K time of 21:47.48, to win the 70-74 age group.

Swimming

In the past two years of the Florida Senior Games State Championships, Patrice Hirr, of The Villages, has set 11 age group records. The 2009 Female Athlete of the year, Hirr set six records in six events last year and followed up with five record-setting performances in 2010.

In the Saturday events, she set two records in the 60-64 age group, topping her own mark in the 100 Yard Individual Medley and breaking the 100 Yard Breaststroke record that had stood since 1994.

On the second day, Hirr set three records to bring her Florida Senior Games State Championships total to 12. She holds three records in the 55-59 age group and nine in the 60-64 age group. She shattered the 200 breaststroke record by more than 30 seconds and broke a 10-year old 200 IM record.

Swimming in her first Florida Senior Games State Championships, Katherine Karageorges-Sharp, of Boca Raton, brought her total to six gold medals, winning two on Saturday and four on Sunday in the 50-54 age group. She also had three age group record-setting performances, establishing new marks in the 50 butterfly and 200 IM and the 100 IM.

Table Tennis

Pickleball champion Deb Harrison, of The Villages, a fixture at the Senior Games medal stand, followed up her three gold-medal winning performance in Pickleball over the weekend with another three gold-medal winning Table Tennis performance.

For the 2010 Florida Senior Games State Championships, Harrison decided to give Table Tennis a try after winning over 15 Pickleball medals since 2005. She started the day with a Women's Doubles gold

medal, with partner Mardee Goldberg, and followed up with a Mixed Doubles gold medal, with partner John Shank.

The Women's Singles gold medal in the 60-64 age group proved to be the toughest. Her semifinals match against Geraldine Lesser, of The Villages, went to five games with four of the game scores being 12-10. The Championship Match against three-time gold medalist in the 55-59 age group, Nancy Dorsey, of Brooksville, also went five games. Harrison lost the first game 12-10, rebounded to win the next two 11-7, 11-8, dropped the fourth game 11-9 and won the fifth and final game 11-6.

In the championship match, Dorsey was clearly the aggressor, while Harrison returned the hard shots sent her way. "That's about all I could do," Harrison said. "She made a lot of errors on those smash shots."

Another athlete picking up a gold medal in a second sport on Monday, was Essie Faria, of North Miami. Faria won a women's singles and women's doubles gold medal in the 75-79 age group. She also won a gold medal in the 10K Road Race on Saturday, finishing the run in just over an hour. Faria was back in action at the 5K Race Walk. From there she headed to South Fort Myers to compete in eight events of the Track and Field meet at South Fort Myers High School

John Shultz, of Inverness, stretched consecutive medal-winning streak to 18 years, earning a gold medal in the 70-74 Men's Doubles, with partner Deane Chickering, of The Villages. He also won a silver medal in the 70-74 Mixed Doubles, with partner Sylvia Longley, of Crystal River. Shultz, the 2009 Florida Senior Games State Championships Male Athlete of the Year, has won a Table Tennis medal every year at the Games since 1993.

Another veteran Florida Senior Games Table Tennis champion, Dorothy Hann, of Sun City Center, won her 15th women's singles gold medal, dating back to 1994. Hann, who won the gold medal in the 80-84 age group, has won gold medals in four different age groups, ranging from 65-69 through 80-84.

Tennis

Michael Thaler, of Briny Breezes, repeated as the Men's Singles Tennis gold medal winner in the 55-59 age group, defeating John Ronday, of The Villages, in the championship match 6-2, 4-6, 10-4. It was his second men's singles title of the Games involving a net. He won the Men's Singles Pickleball gold medal a few days earlier in the 55-59 age group, defeating four opponents.

In men's singles tennis, Larry Albritton, of Lehigh Acres, repeated as a gold medalist in the 60-64 age group defeating Rob Pridgen, of Coral Gables 7-6, 6-3 in the championship match. Also repeating as a gold medalist in 2010 was Dan Holcomb of Tampa, who won the 75-79 age group defeating Bernhard Burg, of Dunnellon, 6-3, 5-7, 10-1.

Competing in Men's Doubles was the father and son team of Frank (*at right in photo*) and Michael Forker (*at left in photo*). They joined two other parent/child duos in the 2010 Games. Lynn Keane and Alice Terrill, of The Villages, earned gold medals in women's softball last weekend and Paul Goss, Jr. and Paul Goss, Sr., were in the Horseshoes competition on Wednesday.

Linda Huber, of Punta Gorda, teamed with Edie Schwenck to win a gold medal in the 65-69 age group, defeating Rebecca Albert and Ann Culberson, of Tampa, 6-2, 6-3. It was Huber's sixth women's doubles gold medal dating back to 2002.

For the sixth consecutive year, a tennis match involving 90-year old opponents took plate at the Florida Senior Games State Championships when 93-year old Earl Bannister, of North Fort Myers, won the gold medal in the 90-94 age group defeating 92-year old Tony Coker, of Fort Myers, in straight sets 6-2, 6-2.

Track and Field

After winning gold medals in the first three days at the 10K Road Race and Table Tennis competition, North Miami's Essie Faria took a few days off from the 2010 Florida Senior Games State Championships. She returned to win a gold medal in the 5K Race Walk, setting a 75-79 age group record at Rotary Park in Cape Coral. Then she made her way to South Fort Myers High School to win five gold medals and tie a shot put age group record.

She finished her 2010 Florida Senior Games State Championships competition with gold medals in the 100 meter dash, 400 and 800 meter runs. Overall, she won 12 gold medals in three different sports.

Her time of 35:51.86 in the 5K Race Walk topped the previous best in the 75-79 age group by almost three minutes. Her record tying shot put of 20 feet, 10.5 inches tied a record that no one has reached in the 75-79 age group since 1994.

Also returning to the Florida Senior Games State Championships to set records and all-time bests on Saturday was Hollywood's Brian Hankerson. His long jump of 19 feet 1.5 inches beat the mark he set by ½ inch. He also added two inches to his all-time best high jump with a leap of 5 feet, eight inches, but was topped by Thomas Foley, of Chesterfield, MO, who cleared the bar at 5 feet, 10 inches to set the new record and take the gold medal in the 50-54 age group.

The running events of the Track and Field meet took center stage on the final day of competition at South Fort Myers High School. In an event with over 80 athletes registered, Jacksonville's Melinda Henry (*pictured in photo on left*) and Hollywood's Brian Hankerson turned in the fastest times in the 100 meter dash for the second consecutive year. Henry led the women's field with a time of 16.30 and Hankerson finished with a time of 13.02 as they both won gold medals in the 50-54 age group. Times in the 100 and 200 meter dashes were significantly higher as the runners were running into a strong wind.

With a time 56.83 in the 200 meter dash, Ethel Lehmann, of Largo, earned her 18th overall Florida Senior Games State Championships age group record. She holds the 200 meter record in the 70-74, 75-79 and 80-84 age groups and now holds seven age group records in running events and 11 records in field events. Michael Armbrister, of Hollywood, established a new all-time best in the 400 meter dash with a time of 56.10, breaking a record set in 2003 and winning the gold medal in the 50-54 age group.
