

2012

FLORIDA SENIOR GAMES

GETTING BETTER ALL THE TIME

DECEMBER 1-9, 2012

Polk County Highlights and Results

For nine days in December, Florida's Finest Senior athletes were showcased in Polk County at the 2012 Florida International Senior Games & State Championships.

The 2,331 registered athletes competed in 22 sports for the opportunity to qualify for the 2013 National Senior Games, to be held in Cleveland, Ohio.

The 2012 Games featured athletes from 35 states and the District of Columbia and 252 Florida cities. The International designation of the Games also proved successful as athletes from Canada, Puerto Rico and the Virgin Islands travelled to Polk County for the Games.

Two former Olympic medal winners competed as Dot Richardson, a 1996 softball medal winner, played golf and Sam Hall, a 1960 diving medal winner, competed in Track and Field. Paralympian Scott Danberg competed in the Powerlifting, along with the 2012 Masters Track and Field Athlete of the Year, Jeanne Deprano.

In 21 years of the Florida Senior Games State Championships, a total of 38,387 have competed. Enjoy the following accomplishments of the athletes who competed in the 2012 Games.

The 2013 Florida Senior Games State Championships will be held December 7-15, 2013 in Lee County. The 2013 Games are not a qualifier for the 2015 National Senior Games.

Archery

Longtime Florida Senior Games Archer honored among peers on Opening Day in Polk County

Florida Senior Games State Championships record-holding Archer and recent inductee into the Archery Hall of Fame, Frank Gandy, of Bartow, was honored at Central Florida Archers with an heirloom antique statue. The statue was presented by Central Florida Archers Vice President Bob Schofield, whose family had kept the heirloom since the 1920s.

"We presented the statue to Frank because of his reputation and the good that he represents," said Schofield.

With 84 registered archers in attendance along with other spectators, Central Florida Archers President Bill Bishop called it the largest crowd ever assembled at the Fort Meade location.

90-year old John Horwath, of The Villages (*at right*), added his name to the Florida Senior Games State Championships Archery record book in the third age group by shooting an 825 in the Compound Fingers event for a gold medal in the 90-94 age group. Horwath set the 80-84 record in 2003 and the 85-89 record in 2008. Davie's James Harden had the highest score of the popular Compound Release event for the second consecutive year, shooting an 885 (of a possible 900) to win the gold medal in the 50-54 age group. A total of 47 archers competed in the event. Harden posted the all-time high score in the event last year with with an 891.

Basketball Shooting and 3-on-3 Basketball

Florida Senior Games State Championships Basketball Shooting legend, Andy McGuffin, of Umatilla (*at left*), continued his deadeye free throw accuracy at the Simpson Park Recreation Center hitting 29 of 30 free throws to win a gold medal in the 85-89 age group. The 88-year old McGuffin has hit 416 of 450 free throws in the last 16 years of competition for a 92.4% accuracy rate. McGuffin also won a gold medal in the Timed Field Goal Shooting.

Putting McGuffin's free throw accuracy in perspective, only two NBA players have career free throw percentages over 90%. Mark Price, the NBA career leader connected on 2135 of 2362 free throws for a 90.4% accuracy. In his 12-year career, Price's most accurate season came in 1992-93 when he hit 289 of 305 free throws for a 94.8% rate for the Cleveland Cavaliers.

Steve Nash, currently playing for the Los Angeles Lakers is the only other NBA player with a career free throw percentage over 90%. The regular season free throw percentage record is held by Calvin Murphy, who compiled a 95.8% rate for the Houston Rockets in 1980-81 hitting 206 of 215 free throws.

[Watch Video of McGuffin shooting his first 10 shots.](#)

Broward Heat Women's Team are the new kids on the block

Making their first Florida Senior Games appearance in 2012, the Broward Heat, a group of South Florida women with a long list of basketball accomplishments, made their presence known in winning a gold medal in the 50-54 age group.

With a roster made up of basketball coaches and officials and parks and recreation supervisors, more than a few hours were spent on the courts leading up to their appearance at the Simpson Park Community Center.

The Broward Heat resume is an impressive one as Ida Montgomery, played at Miramar High School and Oral Roberts University, now a Broward County Parks and Recreation Supervisor at Franklin Park. Montgomery led the Heat averaging 15.0 points per game in the three wins. Montgomery was a member of the 1982-83 Oral Roberts team that finished with a 26-1 record and placed third in the Women's NIT.

Janis Drummond, is the varsity coach at Braddock High School in Miami. Gail Peterson, referees high school girls and boys basketball and was familiar with the Polk County surroundings having worked State Championship tournaments held at The Lakeland Center. Drummond averaged 11.3 points per game for the Heat and Peterson averaged just over 10 points per game.

Ronnie Lakatos is a middle school basketball coach and Manager at Mills Pond Park in Fort Lauderdale while Katie McCaffrey, the Director of Business Enterprises for the City of Fort Lauderdale Parks and Recreation Department Director, is the team's secret weapon. "I'm the little one so no one sees me." Rounding out the roster is the Center Mattie Crow, "the retired one who plays center," as she calls herself.

Former collegiate All-American and ABA veteran, George Tinsley, a current Polk County resident and Senior Games basketball player commented as they left the gym, “Who was that team?. They’re good.”

Billiards

It was a family affair at the Florida International Senior Games & State Championships Friday at Indigo’s Bowling, Billiards and Games, in Winter Haven, as the Knickerbocker’s, of Sebring, won gold medals in Nine Ball competition.

Robert Knickerbocker, the father (*at right in photo on left*), won the 80-84 age group, while Rob Knickerbocker, the son, won the 50-54 age group

Marvin Miller, of Powder Springs, Georgia, advanced out of the 16-person bracket in the 65-69 age group to win the gold medal. It was the largest of all age group brackets of Friday’s competition

Margo Lindsay, of Clearwater, won her third medal of the 2012 Games, with a gold medal in the 75-79 age group. She also won medals in Pickleball and Table Tennis.

Bowling

Carol Teel, of The Villages, finished out her record-breaking three game women’s singles score in the 55-59 age group with a perfect 300 game Sunday, December 2 at the Lakeland AMF Lanes. It was the first women’s perfect game in the 21-year history of the Games and the third perfect game in three years at the State Championships.

Teel (*at right*) rolled scores of 205 and 206 in the first two games but made an adjustment for the third game to roll the seventh perfect game of her bowling career and a new women’s singles record in the 55-59 age group of 711. “I kept leaving the 10 pin on the right corner, so I switched to another ball that helped me pick up what I had been leaving in the last game,” she said.

The perfect game was on the same two lanes that Lawrence Draeger, of Pensacola, rolled his 300 in the 2011 Games at the Lakeland AMF Lanes, numbers 33 and 34. Richard Merrill, of Lady Lake, had a 300 game in 2010.

Prior to her perfection on Sunday in singles competition, she teamed with her husband, Gerald, to win a combined six medals on competing in Team Bowling, Men’s and Women’s Doubles and Mixed Doubles.

The Teels, who have been married for 12 years, met at a bowling alley in Long Island. Gerald is a former police officer who competed in the New York State Police Olympics and Carol has won New York State women’s bowling titles and recently competed in the “Senior Queens,” competition in Arlington, Texas.

The Games oldest athlete Lillian Webb, of Sebring, won a mixed doubles gold medal with Donald Manfred of Pensacola in the 80-84 age group. The 98-year old Webb rolled a three-game total of 404 along with Manfred’s 558. Her highest score of the three games was a 169.

Webb, the 2004 Florida Senior Games State Championships Female Athlete of the Year, also rolled a three-game total of 442 in the women's singles 95-99 age group to beat her own record and returned to action the following weekend in the Track and Field competition. In the field events she won gold medals in the long jump and discus while taking a silver in the shot put. The following day she won a pair of gold medals with a time of 17.50 in the 50 meter dash and 45.15 in the 100 meter dash.

Mary Northrup sees the lanes in her own way

86-year old Mary Northrup, from The Villages, bowled a 176 in the women's doubles event of the 2012 Florida International Senior Games & State Championships and never saw any of the pins fall. The spectacle of Mary Northrup is she is legally blind.

The legally blind bowler knocked over 1,297 pins over the course of two days at the Lakeland AMF Lanes to win two silver medals and a gold.

Northrup's loss of vision started in 1997 due to the eye disease, macular degeneration. According to the National Eye Institute, "macular degeneration is the number one cause of blindness among senior citizens." Damage to the retina ultimately results in vision failure.

Northrup refused to let this stop her from her love for bowling. Through the support of friends and personal determination, she continued to practice and find new techniques in order to successfully bowl. Now, Northrup

judges her distance from the gutter over and since she cannot see the impact of the ball to pins, she uses her other senses such as sound.

Northrup discovered her passion, as a teenager. She regularly bowled until she became a mother of three children. Bowling took a pause in Northrup's life until her kids grew up and she had time to bowl again. Presently, she is a social bowler who loves to go to the alley and spend time with good friends.

Northrup's highest score of the Florida Senior Games Bowling competition resulted in a game of 176 for the women's doubles event.

Cycling

Monteverde's Dave Viney has enjoyed riding the roads of Polk County in the last two years. He has entered eight Florida International Senior Games State Championships races (four time trials and four road races) and has posted the fastest overall times of all riders competing.

Since 2010 he has not seen a 5K Time Trials time over seven minutes or a 10K Time trials result over 14 minutes since 2009. Viney has been the first overall finisher in three of four 20K Road Races since 2009 and the top finisher in all four 40K Road Races since 2009.

He has won 14 gold medals since 2009 and has posted the top time of male finishers in all 14 races.

It's safe to say he's the top rider in the State of Florida. In the Florida Masters cycling circles, he's known as "Super Dave," and a "Florida Cycling Legend."

He crossed the finish line first in both the 20K and 40K Races, winning the gold medals in the 60-64 age group. He finished the 20K in 26:23.586 and the 40K in 54:16.989. Viney's time was almost a minute faster than his gold medal winning time in the 20K race last year and more than two minutes faster than his 2011 overall top 40K finish.

Viney won a pair of gold medals in the 60-64 age group Saturday in the 5K and 10K Time Trials. Phyllis Goodlad, of Dade City, also won four gold medals over the last two days in the 80-84 age group.

The course at Research Way and University Boulevard hosted 144 cyclists in the Time Trials competition and it was a favorable course as 17 age group records fell, eight in the 5K and nine in the 10K.

Kathy Petrillo, of Jupiter, established new women's top overall times and records in the 50-54 age group in both the 5K and 10K. Her time of 7:37.654 in the 5K and 15:05.875 in the 10K set new standard for women's times. Her 10K time was over 40 seconds faster than the previous top time.

David Ellefson, of Banner Elk, North Carolina, established new age group records in the 75-79 age group in both the 5K and 10K and Baerbel Bartyczak, Satellite Beach and Phyllis Goodlad, of Dade City set new marks in each race in the 75-79 and 80-84 age groups, respectively.

Golf

Linda Frisch, of The Villages, shot the second lowest women's golf score in Florida International Senior Games & State Championships history, with a 74, to win the gold medal in the 65-69 age group at Lakeland's Huntington Hills Country Club. The all-time low score is shared by Janet Brown and Carla Stevenson who carded a 72, in 2003 and 2006, respectively. Both played in Wednesday's competition. Brown won the gold medal in the 60-64 age group while Stevenson won a silver in the 70-74.

Olympic gold medalist Dot Richardson (*pictured above with Sheryl Fleming*) shot a 76 to win the gold medal in the 50-54 age group. It was the second lowest score of the field of 45 golfers. Richardson was a gold medallist for the U.S. Women's Softball team in the 1996 Olympic Games in Atlanta and currently lives in Clermont, where she is the Executive Director and Medical Director of the National Training Center.

At the Men's Golf competition, played at Huntington Hills Country Club, St. Cloud's Robert Cunningham shot only the seventh score under 70 in Florida Senior Games State Championships history with a 69 to win the gold medal in the 60-64 age group. It was the lowest overall score of a field of 115 golfers.

In the older age groups, five golfers shot their age or less. 78-year old Homer Golden, of Tallahassee, shot a 78 while a pair of 85-year olds, Francis Davis, of Dunnellon and Charles Madge, of Palm Bay shot 85s. Coming in three strokes under his age, 83-year old James Richling, of Port St. Lucie turned in an 80 and 88-year old Gerald Baird, of Port Charlotte, came in four strokes under his age with an 84.

Richling won two gold medals on Tuesday, December 4 as he claimed a Table Tennis men's singles championship in the 80-84 age group before heading north on Highway 98 from the Simpson Park Community Center to the Huntington Hills Golf Course.

Ebba Wiechowski and Nick Kent leave the classroom behind for the links

A pair of former Midwest schoolteachers, who excel on courses at The Villages, have a friendly rivalry in Senior Games competitions.

"I always win at the State Games and he always wins at the National Games," said Ebba Wiechowski, who won a gold medal with a 74 in the 60-64 age group. Two strokes behind, shooting a 76, was Nick Kent, to win a bronze medal.

If history holds the same in 2013, look for Kent (*left in photo*) top old friend Ebba (*right in photo*) at the National Senior Games in Cleveland.

With roughly the same background as educators, it's no wonder the two get along so well on the golf course. Ebba taught fifth through eighth graders in Milwaukee, Wisconsin and Kent taught junior high school in Lenox, Illinois.

Pickleball

Pickleball wrapped up three days of action at the Kelly Recreation Center Monday with singles competition. Diane Bock and Rosemarie Pietromonaco (*pictured below*) completed their gold medal sweep winning championships in Women's Doubles on Saturday, Mixed Doubles on Sunday and Women's Singles today. Bock won medals in the 55-59 age group while Pietromonaco won in the 65-69 age group.

By playing all three days, Bock was involved in a total of 15 matches, while Pietromonaco played 12. Also playing 15 matches over the three days was Gary Ball, of Flat Rock, North Carolina who won a singles silver medal in the 65-69 age group, a men's doubles gold and mixed doubles bronze medal. Jim Cetlinski, of Summerfield, won a gold medal in the 55-59 age group, to complete 14 matches in three days. [Video of Florida International Senior Games & State Championships Pickleball.](#)

The Florida Senior Games State Championships Powerhouse Pickleball Mixed Doubles team of Deb Harrison and Bill Freeman, of The Villages, won their eighth consecutive gold medal Sunday winning the 60-64 age group. Harrison and Freeman won five matches in straight sets and won the championship match against Kandy Aker and Mark Stemerman, of The Villages, by a score of 11-8, 11-3.

Winning the 70-74 age group was a pair of out-of-state players, Alice Tym, of McDonald, Tennessee and Ronald Hohman, of Juneau, Alaska. Tym is a member of the Intercollegiate Tennis Association (ITA) Women's Collegiate Tennis Hall of Fame. Tym attended the University of Florida in Gainesville, Florida, where she organized the Florida Gators women's tennis team, served as its captain, and played

No. 1 singles for the Lady Gators from 1960 to 1964. Hohman was playing Pickleball 4,177 miles away from his place of residence.

Besides Tym's impressive background and Hohman's vast distance from his residence, the pair made an impressive debut playing in their first Florida Senior Games competition advancing out of the elimination bracket and surviving five elimination matches. The pair avenged an earlier loss to Patricia Rucker and Harry Callen by defeating the duo twice in the final round, winning the first match in three games and taking the final 15-12.

Diane Bock, of The Villages, won her third consecutive women's doubles gold medal, teaming with Brenda Littlefield, of Summerfield in the women's 55-59 age group. Bock has teamed with three different partners to win gold in the last three years. Bock and Littlefield defeated Susan Carson and Alice Tym, a team from Tennessee, in the championship match.

Couple of the Year- Marcus & Diane Bock

Powerhouse Pickleball couple, Marcus and Diane Bock, were the domination at the 2012 Florida International Senior Games & State Championships Pickleball competition. Marcus and Diane brought home the gold medal in mixed doubles, age group 55-59. Separately, Diane won two more gold medals for women's doubles and singles, while Marc earned a silver medal in men's doubles.

Practice is the Bocks' secret weapon to victory. Marc and Diane participate in open play almost every day and drill two to three times a week. Playing together allows the couple to learn each other's techniques, giving them the ability to predict shots and placement for matches. The main drills Marc and Diane cover are drill drop shots from the baseline and dinking. The pair originally played Tennis together for over 30 years until they decided to pick up Pickleball five years ago.

The couple enjoy traveling to tournaments around the country and even ventured to Arizona to compete in the USAPA National Championships in Buckeye, Arizona in November, 2012, where they advanced out of the elimination bracket to win the 55-59 Championships. In their final four matches of the elimination round, no game was decided by more than three points. Diane also teamed with Deb Harrison to win the women's doubles 55-59 championship.

Great communication and respect towards one another on and off the courts, is the key to their success. Marc and Diane's number one rule is to never say, "Why did you do that!" Motivation and encouraging words are used instead.

Both retired health care professionals, the Bocks know the importance of staying active and healthy. Previously, Diane worked as a nurse at the Leesburg Medical Center and Marc worked as a nurse at the Leesburg Pediatric Health Choice for Medicaid.

Powerlifting

The photo at the left is what it looks like when an athlete lifts over 600 pounds. The feat was accomplished not once, not twice, but three times by the 2011 Florida Senior Games State Championships Male Athlete of the Year, Segismundo Pares, of Ocala (*at left*). He completed lifts of 601, 634 and 650 pounds in the deadlift competition to win the "Push/Pull

Award” for the Florida International Senior Games and a gold medal in the deadlift 55-59 age group.

While several athletes competed with their fathers at the 2012 Games, Pares was the only one to compete alongside his mother, Maria Pares, in the Powerlifting competition.

Four-time Paralympic athlete Scott Danberg, of Cooper City, won a bench press gold medal and reached his own personal goal, lifting twice his weight. His senior games training is an effort to qualify for a fifth appearance in the 2016 Paralympics in Rio De Janero. Danberg threw the discus in the 2012 Games, but will attempt to compete in Powerlifting in 2016.

In the Paralympics Track and Field Masters competition, Danberg competed against athletes age 20 and above, and placed seventh. In Powerlifting, the Masters age group is 40 and above. “I’ll only be at a 14 year disadvantage against the rest of the field at 54 years old.”

Danberg was chosen by a vote of fellow members of Team USA to carry the U.S. flag at the 2012 Opening Ceremonies in London.

Road Race

Bradenton’s Mickey Hooke (*at right*), set a goal for himself at the beginning of 2012 to not only compete and win medals at the Florida International Senior Games & State Championships Road Races, but to set records as well.

On a pair of fall Saturday’s in Polk County, the 52 year old runner achieved his goals. He crossed the finish line with a new top overall time in the 5K Road Race, circling Lake Hollingsworth in 17:24.30 to win the gold medal in the 50-54 age group. The previous overall fastest 5K Time was set in 1998, by Anthony Roque, with a 17:28.59.

He was the Senior Games top finisher at the 10K Road Race, held in conjunction with the Lake-to-Lake Run in November, with a time of 35:40.00. His time was three minutes ahead of the next Senior Games finisher.

In this calendar year, Hooke has run 41 5K Road Races in 25 different Florida cities. “I made it a goal, at the beginning of this year, to set a new record in this race,” he said after the race. This is my last race of the year.”

Hooke finished the 5K Road Race over two minutes ahead of the next overall finisher, Craig Anderson, of Olympia, Washington, who set a record in the 65-69 age group with a time of 19:48.70.

Swimming

Tallahassee’s Barbara Goltz and Boca Raton’s Katherine Karageorges-Sharp (*pictured at left*) each won six gold medals in six events at the Gandy Pool in Lakeland. Goltz had four record setting performances in the 100 and 200 Breaststroke and the 200 and 500 Freestyle in the 65-69 age group.

Karageorges-Sharp won her six gold medals in the 50-54 age group, winning the 50 and 200 Freestyle, 50 and 100 Butterfly, 50 Breaskstroke and 200 IM.

John Cornell, of The Villages, broke two records in the 85-89 age group, shattering the record in the 200 Yard Freestyle by a minute and a half. His time of 3:47.78 topped the previous record of 5:14.94 set in 1999.

Clearwater swimmer stays in pool to stay alive

Bob Brubaker steps out of the Gandy Pool and puts on a red shirt with the words The One Breath From Death written on the front. He wears this shirt proudly to remind himself why he is here at the Florida Senior Games and how lucky he is to be alive.

In 2005, The National Jewish Medical Center in Denver, diagnosed Brubaker with a rare lung disease called diffuse pan bronchialitis; an inflammatory lung disease. Following his diagnosis, the doctors gave him quite an interesting treatment plan.

“He has to exercise in order to stay alive,” says wife Jan Brubaker. Along with other medical treatments, Bob Brubaker must be physically active to keep his lungs cleared out.

Brubaker has participated in 19 Iron Man Triathlons. The Iron Man Triathlon consists of a 2.4 mile swim, 112 mile bike ride, 26.2 mile run. He completed five Ironmans after his near death experience.

This year Brubaker, from Clearwater, competed in the 50-yard Breaststroke, 100-yard Breaststroke, 200-yard Freestyle, 500-yard Freestyle, and 100-yard Individual Medley, age division 55-59, for the 2012 Florida International Senior Games and State Championships Swimming Competition. Brubaker won the bronze medal in the 100-yard IM. He also competed in the Cycling 5K and 10K Time Trials.

This picture is worth a thousand words

As former Female Athlete of the Year, Patricia Bond stepped up to the starting block for the 50 yard breaststroke and checked in with the local high school swim team volunteers manning the lanes, the pair of young girls perked up when they noticed the name.

“I love James Bond,” one exclaimed. “Yes, he’s my husband,” Pat replied.

“You must be Agent Double 08,” they all laughed.

At the starters horn and for the next minute it took Pat to swim the 50 yard race, she had a fan club and they cheered for her louder than any of

the other swimmers. “Go, Double 08,” the pair encouraged. And Pat would need it in this race against, Sarah Shire, of The Villages, in the 70-74 age group. Once the splashing stopped and the results were posted, Pat and Sarah finished in a “dead heat,” each touching the finish line at the same time of 53.83. “I coasted in and you finished strong,” said Shire.

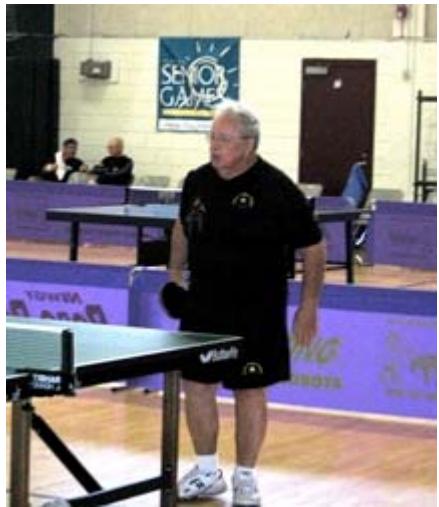

Table Tennis

Two longtime Florida Senior Games State Championships Table Tennis continued their streaks of medal winning years as John Shultz, of Inverness won a medal for the 20th consecutive year and Jan Cline of Sun City Center won a medal for the 19th consecutive year.

Shultz won a gold medal in the men’s doubles 75-79 age group with partner, Deane Chickering, of The Villages and took the silver in the men’s singles 75-79 age group. [Watch post-competition interview with Shultz.](#)

Cline won two silver medals and a gold medal in the 75-79 age group competing in women’s singles, doubles and mixed doubles.

The Pembroke Pines women’s doubles team of Danuta Andrzejewska and Suzanna Sanders won their seventh gold medal since 2003 winning the 70-74 age group. Essie Faria, of North Miami, won her third consecutive gold medal in the women’s singles 75-79 age group.

Also during the competition, Table Tennis Sport Director Brad Woodington, of Lakeland, was recognized for his 10 years of service to the Florida Senior Games State Championships.

Tennis

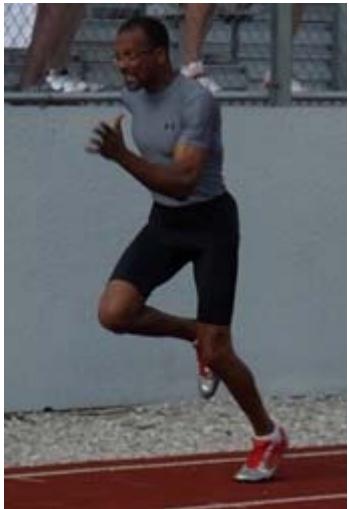

Dave Dean, of The Villages, defeated Earl Maslin, of Sebring, 6-3, 5-7, 1-0, in the championship match of the 75-79 Men’s Singles Tennis competition to win his fifth men’s singles gold since 1996. It was Dean’s third gold medal of the Games after winning the 75-79 Men’s Singles and Doubles Pickleball gold. He won a silver medal in men’s doubles with Mario Alvarez, of Niceville, who won the men’s singles 70-74 age group gold medal.

Dean had a busy week at the 2012 Games, playing pickleball for three days, from Saturday, December 1 through Monday, December 3 and then hitting the tennis courts from Tuesday, December 4 through Thursday, December 6 for singles and doubles competition.

In winning the 75-79 age group men’s singles gold medal, he met up with an old friend and equally talented player, in Winter Haven’s Jerry Counter. “He was the first person I met to play tennis with, at my age, when I first moved to Florida,” said Dean, of Counter. “We have probably played one another 200 times in various tournaments and leagues and our matches are always very even.”

While Dean won a semifinals match at the 2012 State Championships, a match a few weeks earlier in the Kissimmee-St Cloud Local Games qualifier went to a tiebreaking set.

Track and Field

Speed was the name of the game on Sunday as running events of the Track and Field competition were held at All Saints Academy where less than 1/10 of a second separated the fastest men's time in the 100 meter dash. Paul Sabree, of Pendleton, South Carolina crossed the finish line, at 12.50, just ahead of Hollywood's Brian Hankerson, at 12.58 (*at right*), in the 50-54 age group.

The fastest women's time in the 100 meter dash was run by Pearl Yearwood, of Bridgetown, Virgin Islands, with a 14.97 to win the gold medal in the 60-64 age group. Yearwood is a member of the Barbados Masters and Seniors Athletic Club (BAMSAC), that had 16 members taking part in the track and field events. She edged teammate Erma Thornhill by 2/100 of a second for the fastest overall women's time. Thornhill won the 55-59 age group medal with a time of 14.99. A total of 100 runners ran in the 100 meter dash on Sunday.

Teneroc High School hosted the first day of Track and Field competition with the field events and Madelaine "Tiny" Cazel, of The Villages (*at left*), set three records in the 75-79 age group and won five overall medals. Her record setting performances came in the Long Jump, Shot Put and Discus and she also won gold medals in the high jump and javelin. Her Discus Throw of 78 feet, 10 inches broke the previous record by 26 feet.

Spring Hill's Richard Lowery broke his own high jump record in 80-84 age group, which he set last year, with a jump of 4 feet, four inches. He topped his previous mark by two inches and holds high jump records in the 70-74, 75-79 and 80-84 age groups.

Dan Pierce, of Palm Bay, added his name in the record book in the high jump with a leap of 4 feet 10 inches to set a new mark in the 60-64 age group. He also holds the 55-59 age group record with a jump of five feet, four inches, in 2007.

U.S. Army Nurse takes Intercontinental Flight to Compete in Games

To win a pair of gold medals in the long jump and triple jump, leaping a combined 36 feet and run a combined 300 meters in less than 50 seconds, Mary Ittner traveled 13 hours in a C-17 cargo plane from Germany.

She definitely wins a "Dedication Award," for her effort in 2012.

Ittner is currently serving in the U.S. Army as a nurse in Germany and competed in track and field events growing up in Northern Ireland. Having not competed since she was 17, she wanted to see how she has held up over the years.

To reach Lakeland's Teneroc High School for her two events of Saturday, December 8 and two running events on December 9 at All Saints Academy in Winter Haven, she and her husband, Fritz, boarded a C-17 cargo plan on

Thursday, December 6. Making a stop in Maine to refuel, they continued on to a base in Charleston, South Carolina, where they rented a car and drove to Polk County.

After the running events of Sunday, December 9, Mary and Fritz jumped back in the rental car to drive to Charleston and repeat the 17 hour flight back to Germany.

The couple chuckled as they described their waiting to see if there would be room for them on a flight and then traveling in the cargo hold “with Humvees and generators.”

Having served 14 years as nurse, Ittner is now Major Mary Ittner and serves as a clinic manager. She will be stationed in Germany through 2015.

By winning gold medals in the long jump and triple jump in the 50-54 age group, Ittner will need to plan on another cargo plane flight and 17-hour trip in the summer of 2013 to a base somewhere near Cleveland, Ohio.

Pearl Harbor Remembrance Day Tribute to World War II Veterans in the Games

The Florida Sports Foundation honors our nation and the memory of those who lost their lives on December 7, 1941, and recognizes the World War II veterans competing in the 2012 Florida International Senior Games.

[CLICK HERE](#) for a sample of stories from the Florida Senior Games athletes who served our country in World War II. There are certainly other veterans competing than those listed below. Thank you for your service to our country and thank you for your support of the Florida Senior Games.

ARCHERY – 900 ROUND
