

**W**here else can more than 2,100 men and women, age 50 and over, get together to show off their skills in a sport they played in their younger days, or just picked up to stay active?

Folks falling into that demographic gather each December at the annual Florida Senior Games. The 2014 Games, held in Lee County, December 6-14, featured athletes from 38 U.S. States, three Canadian provinces, the Virgin Islands and 238 Florida cities. The 2014 Games served as a qualifier for the 2015 National Senior Games, to be held July 3-16, in Bloomington/Minneapolis/St. Paul, Minnesota.

It's a chance to brag about your own accomplishments while congratulating your opponents on their accomplishments. In no other sporting event will such camaraderie and sportsmanship be found.

Here's a look at the sport-by-sport accomplishments turned in by some of the outstanding Florida Senior athletes at the 2014 Florida International Senior Games & State Championships.

### **Archery**

James Harden, of Davie, turned in the high Archery score of the 900 round round, with an 887, to win the gold medal in the Compound & Release 50-54 age group. The longest medal winning streak in the 23-year history of the Games continued as John Shultz, of Inverness, earned gold medals in the 75-79 age group men's singles and doubles events and a silver in mixed doubles to extend his medal winning streak to 22 years. Shultz defeated Bruce Holck, of Wesley Chapel, in three games in the final for the men's singles gold medal. He partnered with Deane Chickering, of The Villages to win the men's doubles 75-79 age group gold for the third consecutive year.

"It was another good day of Table Tennis at the Senior Games," said Shultz, the 2009 State Championships Male Athlete of the Year. "I truly enjoy coming out and seeing all of these people and playing alongside them."

Ocala's Alan Millett won his fourth consecutive men's singles gold medal and 11th since 2000. Millett defeated James Wang, of Trinity, for his eighth win in the bracket to claim the 65-69 age group championship. Millett has won gold medals in four different age groups since 2000.

A former New England champion, Millett has been playing Table Tennis for nearly 50 years. "I grew up in Massachusetts and my dad taught me the game," he said. I've been playing in tournaments since I was 18 and enjoy the game and competition now at the Senior Games level. The championship match was definitely my toughest match of the day."

A pair of doubles teams continued their winning ways as Dickie Fleisher and Frank Hanley, of Naples, won their fifth men's doubles gold medal since 2008, winning the 55-59 age group and Deb Harrison and Mardee Goldberg, of The Villages, won their third consecutive gold medal in the 65-69 age group.

## Track and Field

A cool morning and pleasant temperatures provided favorable conditions for more than 300 track and field athletes at South Fort Myers High School as 27 age group records were set, including 17 in the sprint races, the 50, 100 and 200 meter dash.

Hollywood's Brian Hankerson (*at left in blue*), won three gold medals in the sprint races and posted new overall best times in the 23 year history of the Games, in the 50 and 100 meter dash. His time of 6.67, in the 50 yard dash, was the fastest of the 59 male athletes running. He topped his own previous overall best time of 6.80 set in 2012. His time of 12.18 broke the overall best mark of 12.31, set by Wayne Hansen, of Melbourne, in 2001.

He added a third gold medal and tied the record for the 200 meter dash in the 55-59 age group with a time of 25.24. Hankerson, competing in the 55-59 age group for the first time this year, set records in the High Jump, Long Jump and Triple Jump.

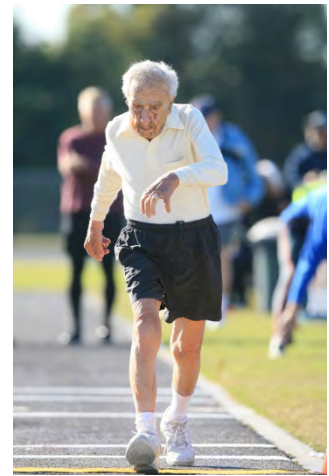

His long jump of 18 feet, six inches was almost two feet longer than the previous record and his triple jump of 36 feet, 11 inches bested the previous mark by 10 inches.

Alan Wells, of New York City, and Julie Sands, of Winter Haven, set overall best times in the 800 and 1500 meter runs. Wells' time of 2:08.70 bested the previous record, one that stood since 1998, by six seconds. He ran the 1500 meters in 4:27.23 to top the previous overall best by 12 seconds.

Sands time of 2:50.25 in the 800 meter and 5:50.42 established new records in the 55-59 age group. Sands also holds the 50-54 age group records in those events, set in 2008.

In the field events, 18 records were broken including five set by 100-year old James Kales (*in photo on right*), of Bonita Springs. Kales became the first centenarian to participate in track and field events winning gold medals in the Long Jump, Triple Jump, Javelin, Shot Put and Discus Throw. Kales became the second 100-year old Florida Senior Games athlete to win medals in 2014, joining Roger Gentilhomme, who won medals in 2009 in tennis and bowling.

80-year old James Oglesby, of Kissimmee, had the second longest shot put of the day, with a throw of 38 feet, six inches to set a new record in the 80-84 age group by more than eight feet. His throw was two feet short of the overall best of the day, Edward Hearn's 40 feet, four inches, to win the 65-69 age group.

### **Volleyball**

Following their women's volleyball championship match win in the 50-54 age group, The VB Girls, a team made up of players from the Orlando area, accepted an intergenerational match challenge taking on a local youth club team whose players had been volunteering as line judges.

The team was a compilation of 15-18 year old players from Naples and Fort Myers who compete in USA South Volleyball. Coached by Ron Ritchie, the team, who defeated the VB Girls 25-23, 25-21, was made up of Sarah Kearns, Alyssa Collins, Gabrielle Detrani, Rebeka Ocsody, Julie Tanner and Kaitlyn Ziegelmaier.

“They were a lot tougher than I thought they would be and were very consistent,” said Kaitlyn Ziegelmaier, after the match. Game one was tied at 23 before the youth club team scored the final two points.

The VB Girls were led by former college players Lisa Huntley, who played at Tennessee, and Sandy Monce Garner, a University of Memphis alum. Garner is the girl's volleyball coach at Daytona Beach Mainland High School

and Huntley is a volleyball club coordinator in Lake County. Other members of the team included Sandy Smaltz, Lea Burgess, Teri Russo, Susie Williamson, Kathy Russell and Devon Goyer.

In men's volleyball, the Clearwater Aces won their 16th consecutive gold medal, dating back to 1999, in the 70-74 age group. This year's Aces team consisted of Harry Carothers, Walt Deal, Shan Hise, Dan Schazman, Ron Welke and Tim Weldon.

### Still More from The Games.....

#### **Four 90+ age athletes win gold medals at Day One of Florida Senior Games**

Day one of the 2014 Florida International Senior Games & State Championships saw four gold medal winning performances by athletes over the age of 90. 97-year old Earl Bannister (*at left*), of North Fort Myers, won a tennis singles gold, 93-year old Paul Grube, of Port Charlotte, won a shuffleboard singles gold and 92-year old John Horwath, of The Villages, won a gold with a record setting archery score. 91-year old Jack Appel, of Boca Raton, partnered with 89-year old Stanley Corwin to win a men's doubles bowling gold medal.

#### **Army Strong Tennis**

Besides Bannister's performance on the tennis courts, the match of the day was dubbed an "Army strong match," by Colonel Jamie Houston (*below left*), who defeated Army veteran Donald Silvels, of Jacksonville in a two-hour, three-set tiebreaker match. Houston, an Army dentist at Fort Jackson, SC, surged back from an 8-7 deficit to win the final set 10-8.

"He was very consistent," said Silvels of Houston's play. "He just kept running everything down and hitting everything back." The match was a combined age group contest between Silvels (50-54 age group) and Houston (60-64 age group).

#### **Guest Appearance at Table Tennis Monday**

Florida Surgeon General and Secretary of the Department of Health, Dr. John Armstrong (*at right*), kicked off the table tennis competition addressing the athletes in attendance. He encouraged them to keep their competitive spirit alive beyond today's activities when they return to their home communities and applauded them on their choice of an active lifestyle.

"You all are setting the example for not only your communities in Florida, but in states across the nation as well as countries around the globe. When it comes to active living there is no age limit and I've noticed here today on these tables, there is no speed limit to the balls in table tennis. Emphasize how important active living is for your health in general," said Armstrong.

#### **Rolling on**

77-year old Kenneth Pleuss, of Winter Garden, walked back toward the ball return chute at Lane 35 of Pin Street, in Fort Myers, to retrieve his ball and was told he left the nine pin standing. He picked up his

ball, climbed the step to take his position, measured off a couple of steps away from the chute and calmly knocked down the remaining nine pin.

He never saw any of the pins go down. Nor did he see any of the other 516 pins he knocked down Sunday as he rolled a 526 score in three games of men’s singles bowling in the 75-79 age group. Pleuss has been totally blind for the last eight years due to macular degeneration.

The loss of his sight didn’t keep him from finishing in the middle of the pack of 15 bowlers in his age group. A bowler since age 11, he continues to bowl in four Orlando area leagues during the week and made his first appearance at the Florida International Senior Games & State Championships.

“He’s very competitive,” said his wife Carolyn, who gives the former New York City limousine driver a running play-by-play of what his opponents are doing during competition so he can offer congratulations. “Sometimes that’s good and sometimes that’s not so good. He got frustrated yesterday during the doubles but is doing much better today.”
