December 5-13, 2015
Clearwater, Florida**

Clearwater and Pinellas County Welcome the 2015 Florida Senior Games

Over nine days of the 2015 Florida Senior Games, a total of 2,048 athletes competed in 24 sports in Clearwater and Pinellas County. The Games return to Clearwater for the 25th Anniversary Florida Senior Games, December 3-11, 2016. The 2016 Florida Senior Games will be a qualifier for the 2017 National Senior Games, to be held in Birmingham, Alabama.

During the course of the Games, individuals rise to the occasion to turn in impressive times, scores and performances within their sport. Here's a look at some of the highlights of the 24th Annual Games, held in the Tampa Bay area for the first time in the history of the Games.

Games open with Awards Ceremony

Florida State Representative Kathleen Peters, Clearwater Mayor George Cretekos, Florida Sports Foundation Senior Vice President Stephen Rodriguez and National Senior Games Association CEO Marc T. Riker were on hand at the Long Center in Clearwater to officially open the 2015 Florida Senior Games.

Besides the official welcome, the 2014 Florida Senior Games Athletes of the Year, Walt Deal, of Clearwater and Danuta Kubelik, of Crystal River, were presented with their awards. A crowd of senior athletes looked on, taking a break from the swimming and volleyball events going on at the Long Center, on Saturday, December 5.

The National Senior Games also recognized 90-year old Ryan Beighley, a swimmer and track and field athlete from The Villages as an addition to the NSGA Personal Best program. The Personal Best is a health and wellness Initiative of the National Senior Games Association to drive a healthy aging message as Senior

athletes provide the best examples of Personal Best attitude. Their diverse stories reveal how they strive to overcome obstacles, meet challenges, inspire others and exhibit positive behavior to reach goals that go well beyond their athletic competition.

Pickleball Ironman of the 2015 Games

The Pickleball Ironman of the 2015 Games, Robert Welter, of Cape Coral, was one of the last people to leave the Long Center on all three days of the event after winning a men's singles gold on Friday, a mixed doubles gold on Sunday and a men's doubles silver on Saturday and. More than 35 hours of Pickleball was played from Friday morning through Sunday night and Welter was present for the majority of those hours.

Down 7-0 in the tiebreaking set of the Men's Singles Gold Medal match in the 60-64 age group, Welter called a time out. He leaned against the wall at the Long Center in Clearwater as if he was winded or injured.

Upon returning to play, he scored the next 12 points and outscored his opponent, Michael Thaler, of Briny Breezes 15-1 to win the third game 15-8 after splitting the first two games.

"I had to change the momentum," said Welter. "He was dominating. I was just hoping something would open up."

It was Welter's third consecutive gold medal in the 60-64 age group and the third consecutive year he has beaten Thaler in the age group finals. It looked to be Thaler's year to defeat Welter as he advanced out the

elimination bracket and defeated Welter 11-7, 11-8 forcing an if necessary game and jumping out to the early lead.

He teamed with Bobbi Little of North Fort Myers (*pictured at left*) to advance out of a 23-team mixed doubles bracket in the 60-64 age group for the gold medal. Playing together for the first time in the Florida Senior Games, Little and Welter defeated Nancy Meyer, of Fort Myers and Randy Hall, of Willmar, MN in straight sets in the championship match.

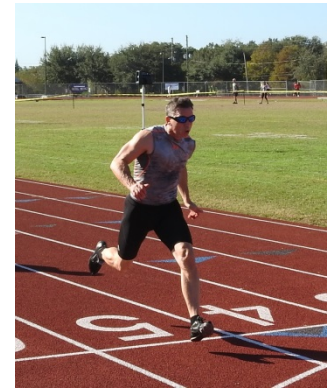

On the final day in Men's Doubles, he and his partner, Darryl Noble, of Hanover, PA, dropped their first match of the day to Gary Miller and Steve Wojcik. They held on for six elimination matches for a return match in the gold medal game but he and Noble came up short 11-9, 11-6.

Welter played five singles matches Friday, to win the 60-64 age group, five mixed doubles matches Saturday and eight men's doubles on Sunday – 18 total matches.

Fastest Man in Senior Games History

Michael Fitzgerald, a sprinter from Mason City, Iowa, became the fastest man in the history of the Florida Senior Games on the final day of the Games, setting new overall best times in the 50, 100 and 200 meter dashes.

The 55-year old Fitzgerald began the day running the 50 meter dash in 6.59 seconds. In the 100 meter dash, he turned in the first sub-12 second time in the history of the Games with a sprint of 11.98. He ended the day with the Games first sub-25 second 200 meter dash when he crossed the finish line with a time of 24.94.

Fitzgerald (*pictured at right*) is ranked third in the U.S. among Men's 55+ sprinters by World Masters Rankings, the official rankings for Masters Athletics. His 11.98 time at Clearwater High School was the second time he ran the 100 in under 12 seconds in 2015. He had a time of 11.93 at the USATF Masters Outdoor Track and Field Championship, in St. Paul, MN in June, 2015.

Sportsmanship at the Florida Senior Games

On a lighter note showing the sportsmanship of the Florida Senior Games, Dorothy Jarboe and Patricia Fincannon, both of Key Largo, who competed in shuffleboard in the Games first weekend of play, decided to register for croquet on a whim. Upon their arrival at Jack Russell Stadium in Clearwater, they learned their backyard croquet mallets did not meet competition standards and the two were loaned equipment by fellow players.

Jarboe's mallet, given to her by Karla Rueck, of Palm Beach Gardens, was a commemorative mallet sold as a fundraiser celebrating the 40th Anniversary of the New York Croquet Club in 2007. Rueck serves on the management committee of the U.S. Croquet Association, based in West Palm Beach, as the recording secretary. She is documented as playing in the most tournaments of any woman in the U.S., playing an average of 21-25 tournaments a year.

"It's all about getting out and doing things," said Fincannon. "If you don't learn something new you're just wasting brain cells."

Florida Senior Games Top Croquet Couple

Sarasota's Peter Carlin was the lone croquet player at Jack Russell Stadium to go through two days of competition without a loss. Carlin had five wins on Saturday to win the singles gold medal in the 75-79 age group and teamed with his wife, Judy, in doubles for four wins to take the 70-74 age group doubles gold medal. Judy nearly mirrored her husband's feat of going undefeated but finished with a tie in one of her singles games Saturday. She won the gold medal in the 70-74 age group.

One of the All-Time Greats

In the Florida Senior Games records and results the name, Ethel Lehmann, Largo (*pictured at left*), has been a track and field fixture since 1993. In 2015, with the Games being held in her own backyard, at Clearwater High School, Lehmann, etched her name in the Florida Senior Games record book 11 times competing in the 85-89 age group for the first time.

Her performances in the high jump, long jump, triple jump, shot put, discus and javelin set records by a little and by a lot. Her javelin throw of 41 feet topped the previous record by more than 20 feet and her discus throw of 39 feet broke the previous mark by 10 feet. She recorded record setting times in the 50, 100, 200, 400 and 800 meter running events.

Lehmann was named the 1997 Florida Senior Games Athlete of the Year and after today's performances, her name appears in the Games record book 19 times. Over the years, she has played for the Freedom Spirit softball team that traveled to the 2015 National Senior Games and has won numerous medals in national competition.

Worthy of the Namesake Award

After the 1500 meter race walk, Donna Graham, of Lowell, Ohio, was awarded with the annual Bob Fine Award for Race Walk Excellence. While Graham's award was for her performance at the 2014 Florida Senior Games, she won the 2015 gold medal in the 65-69 age group with a time of 34:19. Lowell also played singles pickleball prior to her race walking competition.

On the Bike with Many Levels of Experience

By winning the Cycling 20K and 40K Road Races in Oldsmar, Luigi Fabbri, of Hallandale, (*pictured at right*) added the 12th and 13th Road Race gold medals to his collection from the Florida Senior Games dating back to 2000. He has won medals in four age group categories from 65-69 to 80-84.

Kathy Petrillo, of Jupiter, was the top female finisher in both races giving her four 50-54 age group gold medals in the 2015 Florida Senior Games cycling events. Also winning medals in all four events were Dave Lewis of Sarasota and Eric Marc Lippens, of Naples.

The roads and scenery of Fort DeSoto Park must have provided inspiration for a trio of Florida Senior Games cyclists who set age group records in both the 5K and 10K Time Trials. Cheryl Cherry, of Clermont, Patricia Beam, of Caledonia, IL and Dave Lewis of Sarasota all raced to record setting times in the both races.

Both Cherry and Lewis topped their own 5K marks they set in 2014, Cherry in the 60-64 age group and Lewis in the 50-54 age group. Beam's time in the 10K beat the previous best in the 75-79 age group by more than 2:30 and her record setting time in the 5K was 26 seconds faster than the old record.

Showing the inspiration and commitment of senior athlete were Joe Hill, of Sarnia, Ontario, who not only traveled a great distance to compete, he did so with his right arm in a sling. Hill was involved in a cycling accident which destroyed the nerves in his shoulder. He had surgery to replace the nerves from his "ear to elbow," in December of 2014 and turned in a time of just over 20 minutes in the 10K time trials riding with one arm.

94-year old Dr. John C. Taylor of Atlanta, returned for his annual 5K and 10K time trials competitions. Taylor competed in his 14th Florida Senior Games dating back to 2000 when he rode in the 75-79 age group. During that span he missed only the 2011 and 2012 Games.

30 for 30 From the Free Throw Line

Two basketball shooters achieved perfection in the free throw shooting competition as Jack Layton, of Spring Hill, KS and Ronn Wyckoff, of Sarasota hit 30 of 30 free throws. The perfect totals earned Layton the gold medal in the 65-69 age group and Wyckoff in the 70-74 age group.

Wyckoff also posted the highest total points in the spot field goal shooting with 14 of a possible 15 to win the 70-74 age group medal. Wyckoff has been a basketball coach and instructor for more than 50 years and is a founding member of the National Basketball Shooters Association, whose mission is to improve free throw shooting at all levels of competition.

Diane Foli, of Lakeland, posted the highest overall timed field goal shooting with 130 points, hitting a total of 26 three point shots in three one minute segments. Foli, the women's basketball coach at Florida Southern College from 1997-2006, also had the high women's totals hitting 27 of 30 free throws and scoring 11 of a possible 15 in the spot field goal shooting to win gold medals in the 50-54 age group.

Pitchin' the Shoes

Walter Chalfant, of Mulberry, won his 11th Horseshoes gold medal dating back to 1996 at Ed C. Wright Park. The 90-year old Chalfant (*pictured at right*) hit 28 ringers of the 60 horseshoes he threw for a 46.6 ringer percentage. It was the fifth age group in which Chalfant has won a gold medal. His 1996 gold medal came in the 70-74 age group and his 2015 gold was in the 90-94 age group.

Winning all five of his pool play matches, Richard Stull of Port Orange, won his third consecutive gold medal in the 65-69 age group. He hit 53 ringers of the 150 horseshoes thrown for a 35.3 ringer percentage.

The overall high ringer percentage, of 56.6 percent was recorded by Claudette Braswell, of Lake Wales, hitting 34 ringers in 60 throws to win a gold medal in the 75-79 age group.

High Drama on the Tennis Courts

The final day of Florida Senior Games Tennis closed with a nail-biter of a match in the 65-69 age group mixed doubles event. The three-set match brought the six days of tennis to a close with a come-from-behind win for a Lake Wales couple at the Innisbrook Golf Course and Resort.

The husband and wife team of Judi and Aubrey Whitaker scored a 4-6, 7-5, 1-0 (13-11) win over Martha Poitevent, of East Palatka and John Baker, of St. Augustine, to repeat as gold medalists in the age group. After dropping the close first set, the Whitakers stormed out to a 4-0 lead in the second set only to find themselves tied at 5-5 before taking the second set 7-5.

“We felt real good going into the second set because we made a lot of unforced errors in the first game,” Judi Whitaker said. “They weren’t making a lot of winning shots.”

In the third and final one game set, the Whitakers fell behind 5-0, only to rebound. They fought off several match points, down 9-7 and 10-9. With a “one point at a time,” mentality, the Whitakers overcame the early and verge of defeat deficits to win 13-11. *(The game winning shot is pictured below)* Photo by Kera Styler

“We had momentum going our way and when we fell behind, I started thinking, at least we can say we were the best husband and wife team,” she said. “We just hung in there and kept playing. It was some good tennis.”

It was the fourth overall Florida Senior Games mixed doubles medal for Judi and Aubrey dating back to 2010 and second medal of the Games for each. Aubrey teamed with Scott Campbell, of Haines City, to win the men’s doubles 65-69 age group gold. Judi teamed with Sharon Lucas, of Wimauma, to win the women’s doubles 65-69 age group silver.

Florida Senior Games Golf expands to two days

The easy way to win the first two-day Florida Senior Games Golf competition became a reality for Nick Kent, of The Villages. He shot the overall low score of each day at the Innisbrook Resort and Golf Club.

His 75 on Day One, followed by a 72 on Day Two, gave him the lowest score in the field of 50 golfers, a 147, to win the 70-74 age group gold medal. Kent *(pictured at right)* was one of only two golfers to record scores under 80 on both days, along with Robert Nebel, of Lakeland, who shot a 76 and 75, for a combined 151 to win the 60-64 age group.

Kent’s 147 was 18 strokes lower than the next finishers in his age group, John Mahre, of Canada and Donald Koll, of The Villages. Kent had the lowest overall score at the 2015 National Senior Games with a three day total of 220, but settled for a silver medal due to a tiebreaker.

Lakeland's Janet Brown had the lowest two-day total of the women's 36-hole field with a 170, shooting 85's on both days. Brown shot the overall lowest women's score of the Florida Senior Games, a 72 in 2004.

Corkey Nydle, of The Villages, won her 12th consecutive gold medal even after admitting to having one of her worst outings on the golf course in quite some time. While reaching a triple digit score, Nydle still won a gold medal in the 85-89 age group extending her streak to 12 consecutive gold medal winning performances at the Florida Senior Games. A member of the Iowa Sports Hall of Fame for her playing and coaching days in the state, Nydle shot a 100, "for the first time in 20 years," she said.

"I was in 11 sand traps," she admitted. "That's how you shoot a 100. It was great company and a beautiful day though."

Table Tennis for Life

In a salute to the determination and longevity of Florida's senior athletes, the longest consecutive years medal winning streak continued in Table Tennis.

John Shultz, from Inverness, won a medal in his 24th consecutive Florida Senior Games advancing out of a crowded field of 13 players in the men's singles 75-79 division for a gold medal. He advanced out of pool play into the four-player championship bracket and defeated Jim Nason, of North Port, in four games and Jose Borges, of Spring Hill, in a five-game gold medal match. After winning the first of five games, Shultz dropped the next two. He won the last two games 11-9 and 11-7.

The first medal of Shultz's streak came in 1994 in the 55-59 age group. He has now won medals in five different age groups.

In the younger age groups, a table tennis playing family is making a Florida Senior Games name for themselves. The Newton brothers, Dwight and Damon, (*pictured below, Damon on left, dad Wendall center and Dwight on right*) won a men's doubles silver medal and Dwight defeated Damon in four games en route to a gold medal in the men's singles 50-54 age group. Their father Wendell Newton, a longtime Florida Senior Games athlete and table tennis director played on the second day of competition in the 70+ age groups.

Like most dads during their son's competitions, he was there to cheer them on. "They've been around the game with me playing and directing tournaments," Wendell said from the sidelines. "They've always been good table tennis players and still are."

Veterans Stand Out at Bowling on Pearl Harbor Remembrance Day

Prior to the beginning of the 2015 Florida Senior Games singles bowling competition at Seminole Lanes on Sunday morning, December 6, tournament director Bob Peters asked all military veterans to step onto the bowling platform to be recognized for Pearl Harbor Remembrance Day.

Only three women among the 124 on the lanes stepped on the platform. Nancy Wroe (*on right in photo*), a Navy veteran from Port Charlotte, was one of the three and went on to roll the highest women's score of the day to win the gold medal in the 60-64 age group. Wroe's three game total of 676 was 87 pins higher than the silver medalist and included game scores of 203, 205 and 268.

During her seven years in the Navy, Wroe earned the All-Service Bowler of the Year in 1984, an award that spanned all branches of the military.

Lakeland's Stan Sprow had the high men's score of the day with a 734 to win the 55-59 age group gold medal. He began the day with seven consecutive strikes in the first of three games, en route to a 277 in game one.

In Doubles Bowling at Seminole Lanes, two of the top husband and wife teams combined to set men's and women's doubles age group records and then battled it out in mixed doubles.

The Sprows, Pam and Stan, and the Teels, Carol and Gerald, of The Villages, have been winning medals for the last few years. On Saturday, they combined to set records. Pam Sprow and Carol Teel established a new women's doubles record in the 55-59 age group with a combined score of 1269. Their score topped the previous mark set by Teel and Donna Carroll in 2011, by 22 pins.

Stan Sprow and Gerald Teel, combined for a 1447, to set a new, men's doubles record in the 55-59 age group. Their score was only six pins shy of the all-time best men's doubles score of 1453. Over three days of bowling, Stan and Pam each won three gold medals as Pam won the women's singles 55-59 age group gold medal with a three game score of 646.

Record-setters at the Pool

Sarasota's Keefe Ludwig completed his sweep of six age group records in six events over the course of both days of the swimming competition. The 72-year old former Nebraska University All-American (1965-66) and 2008 Cornhusker State Games Athlete of the Year, swam the 100 yard freestyle in 58.74 to set the new record and became the first 70-74 age group swimmer to post a time under one minute. He bested the previous 500 yard freestyle record by over a minute and set records in the 50 and 200 freestyle, 100 IM and 50 butterfly.

Roxanne Olmstead, of The Villages, broke a 20 year old record in the 100 yard butterfly with a time of 1:38.47 to win the 65-69 age group gold medal. Her time topped Jean Troy's record set in 1996. While Troy, from Sun City

Center, was being knocked out of the record book for her two decade old mark, she set records in the 85-89 age group in the 200 freestyle and 100 IM.

Over the two days of swimming at the Clearwater Long Center a total of 47 age group records were broken.

Pushing the Discs down the Court

Roy Packard led a trio of Lakeland shuffleboard gold medal winners, claiming his fifth gold medal since 2008 in men's singles. His first gold in 2008 was in the 50-54 age group and he won the 60-64 age group medal in 2015. Packard was men's singles silver medalist at the 2015 National Senior Games.

Stan Tredway and Craig Stein also won gold medals for the second consecutive year, Tredway in the 55-59 age group and Stein in the 70-74 age group. Packard and Stein paired to win a 2015 National Senior Games men's doubles gold medal in the 60-64 age group.

Also joining the shuffleboard gold medal winners was 94-year old, Paul Allaire, of Clearwater.

Tough day for the Archers

With an easterly gusting wind blowing across the field at the Joe DiMaggio Sports Complex, St. Petersburg's Jack Cason (*in center of photo at left with sport director Tim Austin, left and Marc Riker of the NSGA, right*), set a new record in the 80-84 age group in the compound release event with a score of 808. Steve Snider, of Vero Beach, fought off the wind to record the day's highest score of 851 to win the compound release gold medal in the 50-54 age group.

Setting it up for the Aces

The Clearwater Aces 70+ Men's Volleyball team won their 17th consecutive Florida Senior Games gold medal winning four matches in a span of six hours at the Long Center. The Aces defeated the Florida Fun Volleyball team for the 70+ gold medal and also beat two 65+ teams in pool play.

Rack Em Up

Howard Thilenius, of Okeechobee and William Lawrence, of Lakeland both won their second gold medal in Billiards with Thilenius winning the 75-79 age group in the Eight Ball Singles event and Lawrence winning the 55-59 age group.

At the first day of Billiards competition, Howard Thilenius, of Okeechobee, won his third nine-ball gold medal in four years in the 75-79 age group.

Racquetball Champions

Larry Ardito, of Bonita Springs, won gold medals in all three racquetball events at Richey Racquet and won his fifth consecutive men's singles gold medal winning the 65-69 age group. He teamed with Ken Drew, of Winter Haven, to win the 65-69 men's doubles gold and with Lucy Ramsay, of Naples, for a mixed doubles gold.

Don Sperber, of Palm Beach, won his fifth men's singles gold medal in six years, in the 75-79 age group. Sperber has now won gold medals in three different age groups dating back to a gold medal in the 65-69 in 2006.

Florida Senior Games by the Numbers

The 2015 Florida Senior Games brought over 2,000 athletes to Clearwater and Pinellas County to compete in 24 sports over the course of 9 days. Here's a few more numbers to chew on about the 24th Annual Florida Senior Games and the athletes competing

5 – The number of sports being held at The Long Center in Clearwater. Swimming, Volleyball, Table Tennis, Pickleball and Bag Toss will be contested at the Long Center during the 2015 Florida Senior Games.

7 - Number of communities to host the Florida Senior Games since its inception in 1992 (Bradenton, Sarasota, Kissimmee/St. Cloud, Polk County, The Villages, Lee County & the City of Cape Coral, Pinellas County/Clearwater)

16 – Number of 90+ age athletes competing in the 2015 Florida Senior Games. The most experienced athlete registered as of November 20 is 95-year old Lucille DeGregorio, of The Villages. DiGregorio will compete in Singles Bowling and is one of five 90+ athletes participating at the Seminole Bowl.

17 – Swimming records held by Bradenton’s Patricia Bond. The 1999 Florida Senior Games Female Athlete of the Year holds records in three different age categories (65-69, 70-74, 75-79) and set four new records in 2014 in the 75-79 age group.

20 – The number of laps swimmers will make in the 500 yard freestyle at the 25 yard course in the Long Center. The fastest time recorded in 23 previous years of competition was 5:34.57, by Brian Voisard, of Winter Haven in 2007. That’s an average of under 17 seconds per lap. The fastest women’s time was by Pat Sargeant, of Melbourne, in 2006, with a 6:05.60.

21 – The number of Florida Senior Games Series Qualifiers held throughout the year leading up to the annual Florida Senior Games. The 2016 Calendar of Series Qualifiers began on January 20, 2016 with the Lee County Senior Games and wraps up with the Golden Age Games, in Sanford, in November 2016.

26 – The minimum number of holes on a pickleball (40 is the max). Over 200 athletes will participate in one of the fastest growing sports of the Senior Games. Besides the growing number of players in Florida venturing to the Florida Senior Games, players from 12 other states and Canada competed in the 2014 Games in Fort Myers. Of the 21 Florida Senior Games Series Qualifiers, 17 now have pickleball competition. A total of 50 Florida pickleball players traveled to the 2015 National Senior Games in Minnesota over the summer and won 20 medals.

Putting McGuffin’s free throw accuracy in perspective, Mark Price, the NBA free throw percentage career leader connected on 94.8% of his free throws in 1992-93 when he hit 289 of 305 free throws for the Cleveland Cavaliers. In 2015, McGuffin won the gold medal in the 90-94 age group, hitting 27 of 30 free throws.

226 – The length in feet of the longest javelin throw in Florida Senior Games history, a feat accomplished by Jacksonville’s Michael Brown in 2004 to win a 50-54 age group gold medal. To put Brown’s throw in perspective, the gold medal winning throw at the 2012 Olympic Games was 277 feet, by 22 year old Keshorn Walcott, of Trinidad and Tobago.

290 – Kilograms, or 639 pounds, deadlifted by Segismundo Pares at the 2009 Florida Senior Games. He also deadlifted 263 kg (537 lbs) at the 2011 Games to earn Male Athlete of the Year honors.
