Approximately 20 minutes later, he dove into the pool to win a gold medal in the 100 meter butterfly beating George Schmidt, of Palm Beach Gardens, by less than a second. Vazmina missed topping his own record in the event, set last year, by less than a second.

Overall 21 records were set (15 women, 6 men) during Saturday's swimming events. While George Schmidt finished second to Vazmina in his first race of the day, he won three gold medals and set three 65-69 age group records in his next races, the 50 breast, 200 back and 100 IM.

Among the 15 women's records set, Cheryl Kupan, of St. Petersburg, set a pair of records in the 100 and 200 back, 50-54 age group. Kupan was a swimming letterwinner on the Florida State swim team in the early 1980s.

The 2009 Female Athlete of the Year, Patrice Hurr, of The Villages, returned from a three year absence from the Games, to win a pair of gold medals and silver while setting a record in the 50 meter breast stroke.

After Wayne's swimming event, the family, ranging from age two to Wayne and Arlene, in the 70-74 age group, relocated to the Innisbrook Resort and Golf Club to see Beth win her match against Edna Carlin, 6-2, 6-4. With the win, Beth advanced to the championship match where she took the silver medal. For Wayne, Arlene and Beth's events, the stands were filled with Beth's family who has traveled to Clearwater from Seattle, Washington, Buffalo, New York, the Atlanta area and Miami.

Bowlers Gerald and Carol Teel, of The Villages are now mixed doubles record holders in two age groups. The Teel's set the highest overall mixed doubles score with a combined score of 1495 in 2011 while bowling in the 55-59 age group. They moved up to the 60-64 age group and set a new record with a combined score of 1363, 99 pins more than the previous record, set in 2006.

It was a double record-setting day for Carol, as she and Mary Chamberlin also established a new women's doubles record in the 60-64 age group with a score of 1224, topping the previous mark, set last year, by one pin.

Jack Appel, of Boca Raton, and Stanley Corwin, of Boyton Beach, established a men's doubles record in the 90-94 age group with a combined score of 1003. Corwin rolled a combined three-game score of 505 and Appel added a score of 498.

Day Two Highlights - December 4, 2016

Lakeland area Senior Athletes win big on Day Two

It was a record-setting day for three Polk County bowlers in Florida Senior Games singles competition at Seminole Lanes.

Lakeland's James Barnett (*at left with Bob Peters*) rolled only the second 800 series in the history of the Florida Senior Games with a three-game total of 803 to establish a new record in the 50-54 age group. The other 800 series was rolled by Richard Merrill, of The Villages, who tallied an 825 total in 2010.

Barnett, who turned 50 in May, was competing in his first Florida Senior Games. The 800 series is considered the toughest accomplishment in tournament bowling since the bowler must average 267 or better in the three games. Barnett had scores of 279, 267 and 257.

Other Polk County bowlers with record-setting performances were John Spencer, of Lakeland, with a 743 in the 80-84 age group and Linda Myer, of Winter Haven, with a 634 in the women's 65-69 age group.

In Spencer's first of three games, he left the 10 pin standing in the second frame and then rolled 10 consecutive strikes to finish with a game one score of 280. His 743 broke the previous record by 91 pins. Myer's score of 634, broke the 65-69 age group record set in 1996, by Erlene Kapiton, of Brooksville.

Carol Teel, of The Villages, announced her presence again in the 60-64 age group by setting overall women's singles high score of 727 and set a new mark in the age group. She topped her own previous women's high score of 711 in 2012 and is now a record-holder in the 55-59 and 60-64 age group in women's singles, women's doubles and mixed doubles.

Another athlete announced his presence upon advancing into another age group at The Long Center Pool. George Schmidt, of Palm Beach Gardens, set 65-69 age group records in the 50 back and 100 IM. Schmidt set three 65-69 age group records on Saturday and finished the weekend with five gold medals and a silver.

Patrice Hurr, of The Villages added two more record-setting performances to her weekend of swimming, in the 50 back and 50 fly, to bring her weekend total to four in the 65-69 age group. Hurr, the 2009 Female Athlete of the Year, had not competed in the Florida Senior Games for the last three years due to shoulder injuries.

Nearly 200 swimmers established 32 new records over the two days in the water at the The Long Center.

Florida Senior Games women's volleyball players showed their stealth at The Long Center.

When Sandy Garner, of the Beaches 50+ team put the final kill of the championship match win on the floor against the Florida Girls, it completed a day of seven matches over the course of nine hours for the two teams.

The two teams in the 50-54 championship match were actually one Central Florida based Florida Girls team that had to be split into two teams due to the number of players available for play this weekend. In

the championship round, the Florida Girls forced an if necessary game, by erasing a 5-2 early deficit to win the third game 15-8. The Beaches team won the if necessary match, the seventh of the day for both teams, in two games.

Lakeland's Chris Haughee completed two days of winning straight set matches to win the Men's Singles Tennis 65-69 age group gold medal. He won two matches Saturday by scores of 6-3, 6-4 and two matches Sunday, including a final match against, John Baker, of St. Augustine, by scores of 6-2, 6-1.

Valrico's Barry Shollenberger won his first men's singles gold medal, defeating Joe Flores, of Port Charlotte, 6-2, 6-3 in the final. Shollenberger has teamed with several different partners to win four men's doubles gold medals since 2009, but today marked his first men's singles gold.

Martha Poitevent, of East Palatka, overcame a game one loss to win her fifth consecutive women's singles gold medal defeating Nancy Williams, of Sun City Center, in the 70-74 age group championship match 3-6, 7-5, 1-0. Poitevent won the gold medal in the 65-69 age group all four years between 2012 and 2015.

In Mixed Doubles Shuffleboard at the Clearwater Lawn Bowls and Shuffleboard Complex, Roy Packard and Craig Stein, of Lakeland, emerged from a star-studded 60-64 age group bracket to win the gold medal. The six players among the top three finishers, combined to win 39 gold medals in Florida Senior Games Shuffleboard dating back to 2005. Included among the 60-64 age group besides Packard and Stein were Henry and Linda Armstrong and Stan and James Tredway. All six are from the Lakeland area.

Don Sperber, of Palm Beach, won his fourth Men's Singles Racquetball gold medal and eighth overall, since 2006, during a weekend of play at Richey Racquet in Port Richey. Sperber won three 75-79 age group matches in straight sets including a final match win over a formidable Florida Senior Games opponent, Earl Black, of Lakeland, who has won five men's singles gold medals since 1997. Sperber also teamed with Bruce Hollander, of Hollywood, to win the 70-74 age group men's doubles gold medal.

Day Three Highlights - December 5, 2016

Florida Senior Games Table Tennis Takes Over the Clearwater Long Center

Day three of the 2016 Florida Senior Games saw The Long Center in Clearwater make the transformation from a three court volleyball venue to a table tennis venue accommodating 20 tables.

In accumulating 13 men's singles gold medals over the years, Ocala's Alan Millett has spanned four age groups and three decades of play in the Florida Senior Games. He won the 65-69 age group gold Monday defeating William Mogensen, from The Villages, in the championship match in three games.

Millett's first gold medal came in 1999 in the 50-54 age group. From 2003-2006, he won four consecutive gold medals in the 55-59 age group. From 2008 to 2012, he won four gold medals in five years. He has won gold medals in the 65-69 age group in two of the last three years.

He also teamed with Frank Valliant, of Leesburg, to win a men's doubles silver medal.

Jacksonville's Joan Ruggerio won her fifth women's singles gold medal in six years and second consecutive in the 65-69 age group. She won three gold medals in the 60-64 age group between 2011 and 2014.

Ruggerio, Patricia Benitez and Juliana Milanov won gold medals in all three events, Ruggerio in the 65-69 age group, Benitez in the 55-59 age group and Milanov in the 50-54 age group.

Milanov, a native of Bulgaria, now living in Winter Garden, began playing table tennis at her granddaughter's birthday party three years ago. At that time, she was living in Chicago and the birthday party was held at a relative's house in Indiana where they kept a table in the basement.

"In Indiana, they have basements in their houses," she said. "I started playing and now it has become my getaway from work as a mechanical engineer, designing heating and air conditioning ducts," she said while pointing up in to the rafters of the Long Center.

Milanov repeated as the 50-54 age group women's doubles champion with Hisae Senko, of Kissimmee and teamed with Kenny Griffiths, a native of Jamaica now living in Orlando, to win the mixed doubles gold.

In second day of Men's and Women's Doubles Tennis at the Innisbrook Resort and Golf Club, a pair of women's singles medal winners teamed together to win a women's doubles gold. Martha Poitevent, of East Palatka, won the 70-74 age group women's singles gold yesterday and teamed with 60-64 age group silver medalist, Marcia Plante, of The Villages, to win the 60-64 age group. The pair defeated LouAnne Schultz and Donna Spindel, of Wimauma, 6-0, 6-2 in the championship match.

Day Four Highlights - December 6, 2016

Palm Bay's Charles Madge wins Florida Senior Games Gold Medal playing on his 522nd course

An 80% chance of rain, dark skies and wind, and an hour rain delay bringing a noontime heavy downpour, did not keep Palm Bay's Charles Madge from playing his 522nd golf course, the Countryside Country Club, at the 2016 Florida Senior Games.

Scheduled for the final tee time of day at 12:12 p.m., Madge (*pictured at left with a self-designed and made putter*) did not tee off before the downpour forced a 45 minute rain delay. Upon return to play, a bit later than scheduled, Madge made his way through 18 holes, walked off the course as darkness fell and turned in his 25th Anniversary Florida Senior Games scorecard with a gold medal-winning performance of an 89 in the 85-89 age group.

Madge, still using his meticulous attention to detail skills learned as a 1947 graduate of Purdue University, with a degree in chemical engineering, calculated he shot his age or less for the 330th time. His degree and skills led to a career as a chemical engineer at Union Carbide from 1949-83.

“I’ve got spreadsheets from floor to ceiling at my house to keep track of all of this information,” he admitted when asked how these numbers are verifiable. Another one of his “shooting lower than his age,” accomplishments came at the 2007 Florida Senior Games when he won a gold medal with a 78 in the 80-84 age group.

Since 1998, Madge has played in 13 Florida Senior Games and won four gold medals, a silver and two bronze medals.

Also fighting the elements to turn in the lowest scores of the day, were Nick Kent and Ebba Wiechowski, both of The Villages, who both shot a 75. Kent was awarded the 70-74 age group gold medal using the USGA Tiebreaker system of scores on various holes throughout the course.

Kent and Wiechowski are former Midwest school teachers who now live in The Villages and have a friendly rivalry at Florida Senior Games golf events battling for the top spot on the medal stand several times over the years.

Janet Brown, of Lakeland, who received her 2015 Florida Senior Games Female Athlete of the Year award on Day One of the competition, had the lowest overall women’s score with an 85 to win the 65-69 age group.

At the 70+ age group and older Table Tennis competition at The Long Center, another year of the sport was completed and once again, John Shultz, of Inverness, climbed upon the medal stand for the 24th consecutive year, the longest consecutive year medal winning streak among all athletes. Now playing in the 80-84 age group, Shultz won silver medals in singles and men’s doubles with Deane Chickering, of The Villages, and a 75-79 age group bronze medal with Sylvia Longley, of Crystal River.

Jan Cline, of Sun City Center, who also has a streak of winning Florida Senior Games medals for over 20 years, won gold medals in all three events in the 80-84 age group. She won her fourth consecutive women’s singles gold, teamed with Audrey Columbia, also of Sun City Center, to win a fifth consecutive

women's doubles gold and paired with Joe Cincotta, of Lakewood Ranch, to win their third consecutive mixed doubles gold.

In championship men's doubles tennis matches at Innisbrook Resort and Golf Course, Barry Shollenberger, of Valrico and Chris Haughee, of Lakeland, earned their second gold medals over the last four days of tennis. Haughee teamed with Earl Harry, of Auburdale to win the 65-69 gold and Shollenberger teamed with Jay Bortner, of Valrico, to win the 70-74 age group. Both won men's singles gold medals.

Day Five Highlights - December 7, 2016

The Villages Golfer Benefits from Return of Blue Skies to 2016 Florida Senior Games

The return of clear blue skies provided the opportunity and motivation for William Jones, of The Villages, to record the lowest score of two days of 2016 Florida Senior Games Golf at Countryside Country Club.

Jones shaved 17 strokes off of his total from the previous day to turn in a 73 and win the gold medal in the 80-84 age group.

He teed off Tuesday right before the rains came and during the delay could not get dry and became stiff. He finished the first day's 18 holes with a 90.

"I forgot my rain gear and got soaked to the bone," he said. "Once we got back out on the course, I could not get loose. Today, I got up did my exercises before the round, hit the ball down the middle of the fairway, had some nice putts and made five birdies. Today's game was reverse image of yesterday."

Jones' birdies came on a par 5 hole, two par 4's and a two par 3's en route to the lowest score of the two days of 18 hole golf.

Surprisingly, there were not many drastic decreases in scores like Jones' performance Wednesday. The next lowest score was a pair of 77's shot by Jack Allen, of Seminole, to win the 65-69 age group and Richard Burke, of Bonita Springs, to win the 70-74 gold medal.

"I'm not surprised," said Jones. "Even though the weather was a big improvement, the course was pretty tough if you didn't know it."

Jones claims his goal every time he steps on the golf course is to break his age.

"I'm at an age now where the number is high and if I play half decent, I can do it," he said. "At the moment, I'm at the sweet spot."

Janet Brown, of Lakeland, once again had the low women's score of the day, with an 86, to win the 65-69 gold medal.

The first day of mixed doubles tennis competition featured a birthday celebration as Jessica Franzini, of St. Augustine, officially became Senior Games age by playing two matches, in the 50-54 age group, with her husband, Lou.

The Franzini's won their first match against Cheryl and Romeo Domingo, of Punta Gorda, 6-2, 6-4. They dropped a second round match to Susan McGill, of Lake Wales, and Charles Counter, of Winter Haven, 6-2, 6-4.

Day Six Highlights - December 8, 2016

Military Veteran Amputee and Heart Attack Survivor compete in Cycling Time Trials

Florida Senior Games cyclists took a trip to the beach for the 5K and 10K Time Trials, riding a course along the Fort DeSoto Park North Beach.

However, the scenery along North Beach, named the top beach in the United States by Dr. Beach and Trip Advisory in recent years, was not the focus of the riders who prepare themselves to endure physical pain during training and while competing in races.

For two riders pulling up to the starting line at the 25th Anniversary Florida Senior Games, the pain of the Time Trials race was nothing compared what led up to their performances Wednesday in the 3.1 and 6.2 mile ride on the bike.

Clearwater's Shawn Mello (*at left*) rode both races with a specially-fitted prosthetic right leg to clip into the pedal of his bike. Mello, a former Army Green Beret, lost his leg at the knee in a boating training operation in Key West in 2003.

Mello, who turned 50 in September, is competing in his first Florida Senior Games. Once fitted with a prosthesis, he attempted to continue to stay fit by running, but experienced discomfort to his knee.

He spent time doing triathlons before being introduced to competitive cycling through a Military Adaptive Sports Program. He designed, along with his prosthetist, the prosthesis to clip into his bike pedal and finished with a time of 7:47 in the 50-54 age group 5K and 17:15 in the 10K Time Trials.

Two days after qualifying for the 2016 Florida Senior Games at the Gainesville Senior Games on September 23, Marvin Sonne was out on a 70-mile training ride, when he felt discomfort in his chest after reaching the top of a hill in his hometown of Mt. Dora. He stopped and mentioned it to his riding partner. With only 13 miles left, they decided to finish the ride.

When he got home he told his wife, Cindy, the pain through his chest, neck and arms was much more severe. He was having a heart attack and rushed to the hospital to learn he had 95% blockage to his arteries and a stent was inserted.

Today, 76 days later, Sonne (*at left*) was at the beach riding in the Florida Senior Games 5K and 10K Time Trials, finishing with times of 8:09 and 17:15, respectively.

“My doctor told me heart attack patients can go through a stress test between four and six weeks afterwards,” Sonne said. “After four weeks I took the test and was told there was no reason that I couldn’t get back on the bike.”

In the Lawn Bowls competition, held at the Clearwater Lawn Bowls and Shuffleboard Complex, Arthur Allen and David Murray, both of Clearwater, repeated as Open Pairs champions winning three games in the 16-team field. In the three-game competition format, rolling four bowls in 12 frames, the athletes rolled the 3-4 pound bowls approximately 120 feet a total of 144 times.

Allen and Murray pulled out the win in the third and final game of the competition, against Roy and Shelley McCartney, of Clearwater, scoring the final point in the 12th and final end to preserve the win.

In the final frame, the McCartney’s were sitting with three bowls counting when Murray countered with his last bowl to score the an 11-8 win.

Following the medal presentation, the 83-year old Allen proclaimed he and Murray would be back in 2017 for a “Threepeat.”

On the last of six days of Tennis, Judith and Pat Siracusa, of Clearwater won a pair of matches to win the gold medal in the 70-74 age group. The Siracusa’s advanced through the 10-team bracket winning four matches in two days, all in straight sets. In the championship match they defeated the 2015 gold medal winners in the age group, Patsy Rucker and Tom Burgess, of Summerfield.

The 2016 Tennis competition featured 236 athletes competing over the course of six days. It was the most participants in Florida Senior Games Tennis since 2005.

7 Day Seven Highlights - December 9, 2016 **Cape Coral’s Robert Welter Continues Winning Pickleball Ways**

On the first of three days of Pickleball at the 2016 Florida Senior Games, Robert Welter, of Cape Coral, picked up right where he left off at the 2015 Games.

On the courts at The Long Center Friday, Welter (*at left*) won four matches in the Men's Singles 60-64 age group, for his fourth consecutive gold medal in the age group. He defeated Paul Cash, of The Villages, in the final, 11-9, 7-11 and 11-9.

When Welter left The Long Center Courts at the end of the 2015 Games, it was with a gold medal, winning the mixed doubles 60-64 age group championship on the final day of play.

In winning two gold medals and a silver at the 2015 Games, Welter played 18 total matches in singles, men's doubles and mixed doubles.

After winning a gold and two silver Table Tennis medals four days earlier, Deb Harrison, of The Villages, returned to Clearwater to win the women's singles Pickleball gold medal in the 65-69 age group at the North Greenwood Recreation Complex. Harrison defeated Darlene Miller, of The Villages, 11-6, 11-6 in the final match.

Harrison's winning performance earned increased her Florida Senior Games Pickleball gold medal count to 29 since 2005.

At the Horseshoes Championships at Ed C. Wright Park, it took two tie-breakers to declare Tom Edge, of Fort Myers, the 55-59 age group gold medalist. Edge, Alan Makar, of Fort Myers, and Eric Kube, of Kissimmee, all finished with two wins in three games. Since their head-to-head competition all cancelled each other out, it finally came down to Edge's 92 total points, in three games, over 85 for Makar and 80 for Kube.

Edge has won the 55-59 age group gold medal three of the last four years.

Day Eight Highlights - December 10, 2016

Second Saturday of 2016 Florida Senior Games Showcases Speed and Accuracy

It was all about the speed and accuracy Saturday at the 2016 Florida Senior Games with Cycling, 5K Road Race and Race Walk and Track and Field athletes displaying speed and Basketball and Billiards displaying accuracy while Pickleball players used a combination of both. It was the busiest of the nine days of the 25th Anniversary Florida Senior Games with nine sports in action.

In the 5K Road Race, run held in conjunction with the Clearwater YMCA Reindeer Run at John Chestnut, Sr. Park, Arlene Hanson, of The Villages, once again got into the Holiday Spirit and broke her own record, in the 75-79 age group set last year on the same course. Hanson crossed the finish line in 25:27, 53 seconds better than her 2015 time.

Florida Senior Games standout 5K Road Racers added a couple more gold medals to their collections, as Mickey Hooke, of Bradenton (*at left*), won the men's 55-59 age group and Danute Kubelik, of Crystal River, won the women's 65-69 age group.

Hooke was the top overall finisher in the 2012 and 2013 Florida Senior Games 5K and ran an overall best 17:24.30 in 2012. He was the fifth overall finisher this year with a time of 19:03.50.

Kubelik, the 2014 Florida Senior Games Female Athlete of the Year, had a 5K Road Race gold medal winning time of 25:01.50 and, her husband, George, won the bronze medal in the 70-74 age group with a time of 26:44.

The Reindeer Run/Florida Senior Games 5K also had a "celebrity runner," in Elmo Shropshire, who sang the classic Christmas hit, "Grandma Got Run Over By a Reindeer." Shropshire won the silver medal in the 80-84 age group with a time of 30:49.

Since recording the holiday favorite in 1979, Shropshire has become a national champion cross country runner.

Leading off the day with a 7:30 start time, Dave Lewis, of Sarasota (*on right in photo*), outsprinted Tallahassee's Pete Butler (*left in photo*) to the 20K Cycling Road Race finish line, on Cleveland Street, to win the 50-54 age group gold medal by less than a second. Lewis repeated his gold medal winning performance in the 40K Road Race outpedaling Pablo Santa Cruz, of Safety Harbor.

Kay Carver, of The Villages, was the top overall women's finisher in both races to win gold medals in the 50-54 age group. Carver also won her age group gold medals in the 5K and 10K Time Trials on Thursday.

To set records in the Long Jump and Triple Jump, Brian Hankerson used his speed down the runway to the jump pits to break the 55-59 age group long jump record by over a foot with a leap of 19-09.5. Besides setting the new age group, he topped his own overall best long jump of 19-01.50 set in 2010, which is also the 50-54 age group. His triple jump of 37-02.25 broke his own record in the 55-59 age group, set in 2014. He holds the 50-54 age group record with an overall best triple jump of 37-09 in 2009.

A combination of speed and accuracy led Florida Senior Games veteran Pickleball player Rosemarie Pietromonaco, of The Villages (*left*), to a mixed doubles gold medal in the 70-74 age group with her partner, Keith Coates, also of The Villages at the North Greenwood Recreation Complex.

Pietromonaco is the only player to have played in the inaugural year of Pickleball in the 2003 Games and 25th Anniversary Games in 2016. She and

Coates defeated Diane Reynolds, of The Villages and Steve Arlen, of Kissimmee, in a final “if necessary,” match, 15-7. Reynolds and Arlen forced the match after coming out of the elimination bracket and winning the first contest 11-7, 11-9.

Navarre’s John Hurd sets three Florida Senior Games Track and Field Records in just over a minute

On the final day of the 2016 Florida Senior Games, Navarre Sprinter John Hurd ran for just over a minute Sunday at Clearwater High School and set three 85-89 age group records. He ran gold-medal winning times in the 50 Meter Dash in 9.12 seconds, the 100 meter in 17.68 and the 200 meter in 38.68.

Hurd’s Florida Senior Games legacy is well established. Since 2003, he has won 29 consecutive sprint races at the Florida Senior Games and National Senior Games. He also holds the 80-84 age group 50 meter dash record and his times in the 100 and 200 meter dash broke records set in 1999.

Overall, 14 age group records were set and a new all-time best run in the Women’s 800 meters was turned in by Susan Cooke, of Odessa. Her time of 2:45.01 established a new record in the 55-59 age group and topped the previous all time best by more than a second. She finished 16 seconds ahead of the silver medalist in her age group.

Setting records that stood for more than 20 years in the 75-79 age group were Lionel Bonk, of Lake Mary and Sandy Scott, of Seminole. Bonk ran the 400 meters in 1:15.61 to break the 75-79 age group record, set by John Anoka, of Maitland in 1995. Scott crossed the finish line in the 1500 meter run with a time of 6:24.40, three seconds ahead of Dundee distance runner, Gordon Johnson’s previous record from 1995.

After setting Long Jump and Triple Jump records on Saturday, Brian Hankerson, of Hollywood, turned in the fastest 100 meter time of the day with a 12.46 for a gold medal in the 55-59 age group. Hankerson, who did not start competing in track and field until the age of 45, also won gold medals in the 50 and 200 meter dash.

As was the case in 2015 when he won two gold medals and a silver, Cape Coral's Robert Welter was one of the final Pickleball players to leave the Long Center Gymnasium. He and his men's doubles partner, Daryl Noble, of Fort Myers, once again squared off against Gary M. Miller, of The Villages and Steve Wojcik, of Downer's Grove, IL in the championship match.

It was déjà vu all over again as Miller and Wojcik defeated Welter and Noble for the gold medal. Miller and Wojcik won game one 11-9 and were down 4-2 in the second game before scoring the next nine points to win the second game 11-4 and bring the 25th Anniversary Florida Senior Games to an end at 10:19 p.m.

One of the premier Pickleball players in Florida, Deb Harrison, of The Villages, upped her gold medal winning total since 2004 to 31 with a women's doubles gold medal in the 65-69 age group, teaming with Nancy Nowak, also of The Villages. Harrison teamed with Ernie Tomlinson, of The Villages, to win the Mixed Doubles gold medal on Saturday.

Over three days of Pickleball, Harrison played in 11 combined matches in singles, mixed doubles and women's doubles and did not lose a game, winning all 11 matches in straight sets.

In Billiards competition, held at Stroker's Sports Bar and Grill, Ray Rupertus, of Winter Haven, won his third medal of the weekend, teaming with Thomas Weaver, to win the 60-64 Eight Ball Doubles Gold Medal.

The 2017 National Senior Games will be held June 2-15 in Birmingham, Alabama and the 2017 Florida Senior Games return to Clearwater and Pinellas County, December 2-10, 2017. The 2018 Games will also be held in Pinellas County.
