2003 Florida Senior Games State Championships

THE VILLAGES -- The 12th Annual Florida Senior Games State Championships featured a record number of participants with a total of 2,344 senior athletes pre-registered in 23 sports and events.

Competition was held December 2-7 in The Villages as senior athletes in sports and events ranging from archery to volleyball.

"For registration totals to be this high in a non-qualifying year for the National Senior Games is really something," said Florida Sports Foundation Director of Events Stephen Rodriguez. "It really shows the senior population is quite active and competitive."

Among the highlights of the six-day competition were 90-year old Cecil Harris of The Villages record-setting score of 91 in the men's golf 90-94 age group. His total was 16 strokes better than the previous record of 106 set by Bradenton's Frank Coleman in 2001.

Former Athletes of the Year, Patricia Bond (1999) of Bradenton and Sperry Rademaker (2001) of Floral City, each set four new women's swimming records. Bond's record setting performances came in the 65-69 age group while Rademaker's records were in the 60-64 age group. Rademaker finished the day with gold medals in all six events she entered while Bond had four golds in five events entered. Marjorie Stone of Pensacola and James Anderson of New Port Richey each set three new records in the 80-84 age group.

The oldest athlete of the competition was 95-year old Edwin Butters of Umatilla. Butters finished the 5K cycling time trials with a time of 26:17 and the 10K cycling time trials in 53:22. Both were records in the 95-99 age group since no other competitor had ever competed in that age group. Butters also competed in 100 and 200 meter dashes and the discus and javelin throws at the track & field competition.

At the 5K Road Race, Dave Quarles of Lakeland was the top overall finisher with a time of 17:53 earning him the gold medal in the 50-54 age group. Patricia Hoffman of Palm Harbor was the top female finisher with a time of 25:54 earning her a gold medal in the 50-54 age group. Hoffman and Debbie Kazor of Pinellas Park were even throughout the race before Hoffman passed Kazor in the last 50 yards to win by three seconds.

Gordon Johnson of Winter Haven set a new record in the 85-89 age group with a time of 33:11. Johnson, the 1999 Florida Senior Games State Championships Male Athlete of the Year, now holds the 5K Road Race records in the 75-79, 80-84 and 85-89 age groups.

In the basketball shooting competition, Andy McGuffin of Umatilla won a gold medal in free throw shooting for the fifth consecutive year. His 27 of 30 shots topped the overall competition earning him the gold medal in the 75-79 age group. Since 1999, McGuffin has connected on 139 of 150 free throws in Florida Senior Games State Championships competition for a 93% accuracy rate.

92-year old Alice Taylor of Lady Lake set a new age group record in women's singles bowling competition. Taylor rolled a three-game total of 409 besting the previous mark of 392, set by Edna Parks of Pinellas Park in 1998. In the men's bowling competition, 90-year old Carl Laubach of Palmetto set a new record in the singles 90-94 age group rolling a 465. He beat the previous record of 452, set by Donald Megier of New Smyrna Beach in 1998.

The Celebration of Athletes was held on Wednesday, December 3 at The Villages Town Square as athletes paraded around the Town Square grouped with their local qualifying event. Once all the athletes completed the opening procession, the Games torch was lit by the 2002 Female Athlete of the Year, Janice Lathouwers of The Villages. The Celebration of Athletes is the only time during the competition where all athletes are together in one location.

The Florida Senior Games State Championships are a program of the Florida Sports Foundation, the official sports promotion and development organization of the State of Florida. The 2004 Florida Senior Games State Championships will once again be held in The Villages, December 4-12, 2004 and will be a qualifier for the 2005 National Senior Games to be held in Pittsburgh, Pennsylvania.
