Fort Myers Pickleball player wins third straight gold at Florida International Senior Games & State Championships

Friday's final men's singles Pickleball match provided the most excitement of day seven of nine at the 2013 Florida International Senior Games & State Championships as a two-time champion battled for a third.

The gold medal winner in the 65-69 age group for the last two years, David Warner, of Fort Myers, squared off against Sarasota's Noland Fagerburg in the finals. It was their second meeting of the day after Warner defeated Fagerburg in an earlier match to send him to the loser's bracket.

Fagerburg advanced through an elimination game with a 15-9 win to set up a rematch against Warner.

After splitting the first two games, Warner jumped out to a 4-0 lead in game three before Fagerburg battled back to take a 5-4 lead. The two traded points with neither taking more than a two point lead until Fagerburg prevailed winning the match 12-10, 5-11, 11-9 the end. That led to a winner take all match to 15.

"We both had even shots, it was just a matter of who had better," said Fagerburg on the three-game match win.

In the final, all eyes in the Estero Recreation Center were on Warner and Fagerburg as all other matches had completed. Warner again jumped out to a quick 8-0 lead. After the duo changed sides of the net, Fagerburg took the serve and scored four straight points.

Warner increased the lead to 10-4 and again, Fagerburg closed the gap to 10-8. After a couple of Fagerburg's shots went into the net, a sizzling serve from Warner increased the lead to 13-8, which proved to be too much as Warner won 15-9 for his third consecutive gold medal in the 65-69 age group.

"It was a very evenly played match," said Warner. "I just made a few more shots than he did. I would make a few good shots and then he would make a few. It was a question of who would make the most errors."

Both will be playing men's doubles on Sunday, Fagerburg in the 65-69 age group while Warner will play with a younger partner in the 60-64 age group.

In women's singles Pickleball, Diane Bock, of The Villages, advanced out of the loser's bracket to win her second consecutive gold medal in the 55-59 age group. After losing to Nancy Meyer, of Fort Myers, she won an elimination game and defeated Meyer twice by scores of 11-0, 11-8 and 15-7 for the championship.

In Billiards Nine-Ball competition, Rob Knickerbocker, of Sebring, and Howard Thilenius, of Okeechobee won a gold medal for the second consecutive year as Knickerbocker won the 50-54 age group and Thilenius won the 75-79 age group.

In the northern reaches of Cape Coral, the riders of the 2013 Florida International Senior Games & State Championships mounted their technologically advanced bicycles for the Cycling 20K and 40K Road Races Wednesday to ride loops around Gator Circle in packs.

In the third lap of the 20K, with a steady wind blowing from the northeast under gray skies, the strongest rider of the 24 in the lead pack emerged to cross the finish line as the overall winner. The first 24 riders finished within 20 seconds of one another as Montverde's Dave Viney finished 20/100ths of a second ahead of Norberto Olivera, of Lake Worth.

Viney's time was 29:59.267, to win the 60-64 age group, while Olivera crossed the finish line at 29:59.414, for the gold medal in the 50-54 age group.

The top overall female rider was Gainesville's Suzanne Bowers, who won the 55-59 age group gold medal with a time of 35:27.677.

After a brief rest, the remaining 45 riders strapped their aerodynamic helmets back on their heads and locked their shoes into the pedals for the six laps of the 40K Road Races. Women's golfers extend impressive gold medal winning streaks at Florida International Senior Games & State Championships

Senior Games athletes prove themselves to be a loyal bunch, year in and year out, to compete and win gold medals. It was evidenced on Wednesday in the Women's Golf competition held at the Magnolia Landing Golf and Country Club as two golfers won gold medals for the 10th consecutive year or more.

Corkey Nydle, of The Villages, shot an 88 for a new 85-89 age group record and earn her 10th consecutive gold medal. Nydle holds the women's records in the 70-74, 75-79, 80-84 and now 85-89 age groups. This is her first year in the 85-89 age group and she bested the previous record by 14 strokes.

Lakeland's Janet Brown won her 11th consecutive Florida International Senior Games & State Championships gold medal Wednesday, shooting an 80 to lead all golfers and win the gold medal in the 60-64 age group. The streak of gold medals dates back to 2003 and Brown holds the 50-54 and 55-59 age group records, which she set in 2004 and 2006, respectively. Cycling and Golf hit the streets and greens at 2013 Florida International Senior Games & State Championships

While Table Tennis wrapped up two days of competition Tuesday at the Estero Recreation Center, two sports, Cycling and Golf, hit the streets and greens today for the first day of two days of action.

In an event cyclists call, "who can withstand the most pain," the 5K and 10K Time Trials were held on the flat roads of Cape Coral. The sunny conditions with little wind led to five men's records broken in 5K Time Trials and two in the 10K Time Trials. Four recumbent cycling records were also broken.

Eric Lippens, of Naples and William Otto, of Coral Springs turned in record-setting performances in both events. Lippens broke his own records, in the 65-69 age group, which he set in 2011. The men's doubles gold medal came with Deane Chickering, of The Villages, and was the second consecutive medal for the duo in the 75-79 age group and their fourth overall.
