### **Tennis, December 4-8, Tennis Center of Coral Springs**

The Florida Senior Games is well known for bringing people together in the most unusual ways. Such was the case on the tennis courts for a gold-medal winning women's doubles tennis duo.

The metropolitan Northeast United States met rural Northwest Florida and the outcome was success.

Judy Smith, of Brookline, Massachusetts, a northeast metropolitan city, teamed with Michaelin Watts, of Apalachicola, Florida, a rural fishing village for the Women's Double Championships and faced off in the 80-84 Mixed Doubles gold medal match.

The pair met at a tournament, ten years ago in San Antonio, Texas, and played well together. They have since become friends.

Watts travels to the northeast to play in tournaments and stays with Smith, in suburban Boston. Michaelin and her husband, David, have returned the favor and Smith has traveled to the North Florida coast for tournaments and stayed in Apalachicola.

“They’re fun,” Smith said of the Watts’. “You have to enjoy the people you’re with if you’re spending a week with them.”

The three of them rented a house in Coral Springs for a week since David competed in the Cycling 20K and 40K Road Races on Saturday, December 4, in Martin County. David placed second in the 80-84 age group but had a good ride after taking the advice of the gold medal winner.

“The guy that won the gold medal told me to ride behind a group of 75 year old riders and draft off of them,” he said. “It worked and I had one of my better rides.”

With David looking on, at the Tennis Center of Coral Springs, Smith teamed with Michael Schuman, of Boca Raton, to defeat Watts and Russell Cumbie, of Carrabelle, in the Championship Final, 7-5, 6-0. Both teams had played a match earlier in the day, with temperatures hovering around 85 degrees.

“We were ahead 6-5 in the first set and lost in the tiebreaker,” Watts said. “If we would have won that, things might have been different.”

On Tuesday, Smith and Watts defeated Barbara Morris and Rolande Poulin, of Sun City Center, 6-3, 6-7, 10-7, to win the Women’s Doubles gold medal in the 80-84 age group.

Smith is a member of the USTA New England Hall of Fame, has been ranked as high as second in the USTA rankings for her age group and traveled to Croatia to compete in the 2015 International Senior Championships. She also played Tennis at Wheaton College and was a state championship winning high school coach in Massachusetts.

“When I was growing up there weren’t many opportunities,” Smith said. “I was the captain of the high school team as a junior because there were not any seniors on the team.”

Also on the final day of competition at the Tennis Center of Coral Springs, Martha Poitevent teamed with Carter Lord, to convincingly win the 75-79 Mixed Doubles age group gold medal. The St. Augustine duo won two matches in straight sets, losing only one set.

It was Poitevent’s 11<sup>th</sup> Florida Senior Games Tennis gold medal since 2012, but her first in

Mixed Doubles. She has won eight women's singles gold medals and two women's doubles gold.

Cheryl Domingo, of Punta Gorda, and Loren Levine, of Boca Raton, faced off in an epic 2 ½ hour championship final in the Women's Singles 55-59 age group. Domingo won the first set 7-6 and Levine took the second 6-1, to set up a 10-point tiebreaker.

The pair were never more than two points ahead of one another in the tiebreaker and were tied at 10, 11 and 12. Domingo, who won the Women's Singles gold medal in the 50-54 age group in 2020, picked up the last two points to win the final set 14-12. She admitted to having cramps in her calves in the last set.

In the second and final day of Men's and Women's Singles Tennis, Gabriel Wong, of Ponte Vedra Beach, won his fourth 70-74 age group medal in five years and fifth gold medal overall, since 2015. Wong won matches in straight sets on Saturday and Sunday, defeating David Regan, of Sun City Center, in the championship match, 6-0, 6-0. Wong, also a Pickleball gold medalist, earned the 2020 Florida Senior Games Male Athlete of the Year.

### **Archery, Saturday, December 4, Fort Lauderdale Archers**

Shooting at targets from 40, 50 and 60 meters, 10 age group records were set by archers competing in five different events with a variety of bows and equipment.

Leonard Caillouet, of Gainesville, tied the Olympic Recurve 60-64 age group record and all-time best score in the event with an 835. Tim Walter, of North Fort Myers, established the mark in 2020 and came in second behind Caillouet, 24 points behind.

Anna Hartman, of The Villages, topped her own 85-89 age group record in the Barebow Recurve, set last year, with a 553, 53 points better than her record-setter of 2020. Hartman also holds the 75-79 and 80-84 age group records in the event. Angie Olds, of Melbourne, set her third Women's Olympic Recurve with a 728, breaking the previous 70-74 age group record by 35 points, set by Teddy Mulcahy, in 2000. Olds set the 55-59 age group record in 2010 and the 65-69 age group record in 2018.

After giving the archers their instructions for the day, Director of Shooting, Oliver Austin, recognized Rick DuBrueler, of Naples, for being inducted into the Florida Archery Association Hall of Fame. DuBrueler had a gold medal winning performance in the Men's Compound Fingers event in the 65-69 age group. He holds the Compound Fingers age group records in the 60-64 and 65-69 age groups.

## **Basketball Shooting and 3-on-3 Basketball, Saturday, December 4, David Posnack Jewish Community Center**

It's been a long road back on to the Basketball Court for Harry Carothers, of Pinellas Park, who has been competing in the Florida Senior Games since the 1990s.

Carothers, the 2004 Florida Senior Games Male Athlete of the Year, had not played basketball in the last two and half years, due to back and knee surgeries and gym closures due to the Covid-19 Pandemic.

He won three gold medals, in the 75-79 age group, with the overall high scores in Free Throw Shooting and Spot Field Goal Shooting. Carothers hit 28 of 30 free throws, connected on 11 of 15 field goals from various spots on the court and had a score of 76 in Time Field Goal Shooting. He was also a gold medal winner for the Clearwater Aces 75-79 Age Group 3-on-3 Basketball team. The Aces were undefeated in three games.

"I won the timed shooting contest for 20 consecutive years, but back surgery kept me from competing in 2019 and the pandemic kept everyone from competing in 2020," Carothers said. "Hopefully I can keep it going now that I'm back. I've won 18 team gold medals and 46 shooting gold medals for 64 total. I plan to keep going as long as I am able."

The Rusty Buckets 70+ 3-on-3 Basketball team, avenged a pool play loss to Code Blue, from Alabama, winning the championship final bracket rematch 47-36. In their first game of pool play, the Rusty Buckets lost to Code Blue, 54-44.

The Broward Heat Women's 50-54 age group team won its three games by an average margin of 37 points, scoring an average of 61 points per game in the team's three wins.

Since beginning playing in the Florida Senior Games in 2012, in the 50-54 age group, the Heat has grown into three teams that played in the 50-54, 55-59 and 60-64 age groups at the 2021 Games.

## **Racquetball, December 4 & 5, David Posnack Jewish Community Center**

A USA Racquetball Hall of Fame member paid a visit to the Florida Senior Games and won a Men's Doubles gold medal. Tim Hansen, of Wellington, teamed with Ken Angelocci, of Lake Worth, to win the 60-64 age group championship. The gold medal winning team outscored its

two opponents in the three-team round robin pool, 60-14, winning both matches in straight sets.

Hansen was inducted into the USA Racquetball Hall of Fame in 2018 and is one of the most decorated amateur athletes in the history of USA Racquetball, winning more than 50 National and two World Championships.

In Men's Singles, Gene Fry, of Casselberry, won his third gold medal in four years, defeating Mike Boyer, of Delray Beach, 15-10, 15-7 in the Championship match of the 65-69 age group. Fry was undefeated in three matches, losing only one of the seven games he played.

### **Shuffleboard, Saturday, December 4, Sebring Recreation Club**

Virginia Bauman, of Auburndale, repeated as the gold medalist in the Women's Singles 75-79 age group, along with Gail Howell of Leesburg, in the 80-84 age group. Bauman also won a Doubles gold medal for the second consecutive year, teaming with Kat Davis-Cooke, of Winter Haven, to win the 60-64 age group.

Mamie Morton, of Stow, Ohio, was one of 12 athletes, age 90 and above competing in the 2021 Florida Senior Games and won a gold medal in the Women's Singles 90-94 age group and won a Doubles gold medal, teaming with Bobby Hoskins, also of Stow, Ohio, to win the 80-84 age group.

### **Badminton, Sunday, December 5, Shula's Athletic Complex**

It's been long documented that participation in the Florida Senior Games is a significant benefit to the physical health of the athletes competing.

In the case of Miami/Fort Lauderdale area badminton athletes, Andrew Harrell and Auther Keys, *(pictured at right)* the sport and the Florida Senior Games have provided a mental and emotional benefit.

Both are Vietnam War veterans who spent time in combat and spent years suffering from Post-Traumatic Stress Disorder.

"No one knew about that kind of stuff in 1971 when I came home," said Harrell. "Or that we would be traumatized for years. There was not treatment for it from the VA (Veteran's Administration) for a long time.

Because of the lack of help for veterans like Harrell and Keys, they wanted to forget about their overseas experiences. They didn't talk about it and really didn't want to talk about them. This led to anxiety, depression, anger, sleep disorders, nightmares, self-medication and eventually loss of jobs.

"I used to lay around and isolate and think about things I shouldn't have been thinking about," Harrell said.

Eventually, things came around and help became available for veterans that eventually led to Recreation Therapy. They started competing in the National Golden Age Games, for veterans only, in track and field events. They were later pointed in the direction of the Miami area's favorite badminton expert, the Florida Senior Games Sport Director, Dave Zarco.

At Shula's Athletic Center, Harrell and Keys were swatting the shuttlecock around with other Florida Senior Games athletes playing in Men's Singles 70-74 age group and teaming up in the Men's Doubles 70-74 age group. Their efforts earned them a qualification to the 2022 National Senior Games.

Besides the National Senior Games opportunity in May, 2022, Harrell plans on competing in in the 2022 Golden Age Games in Sioux Falls, South Dakota, in July.

Zarco began working with Harrell and Keys, "about four years ago," and has seen significant improvements, even though their training was interrupted by the Covid-19 pandemic for nearly two years.

"They're quick learners," Zarco said. "I started out teaching them basic fundamentals and working on strategies and rotations, then we got interrupted. In one of our first sessions back, I was working on soft serves with them and within five minutes, they had it down."

Now that Andrew Harrell and Auther Keys have joined the tight knit Miami badminton community, don't expect them to venture away from it any time soon.

"I just like the game," Harrell said. "I never knew much about it but it keeps me moving and active."

### **Dominos, Sunday, December 5, Jim Ward Community Center**

The 2021 Florida Senior Games Dominos Championship was a room filled with 19 tables, with four players each, playing in a Random Dominos Tournament. The Random format gave all players an equal chance of winning without regard to skill level by creating a level playing field.

The overall winner of the tournament was Derick Gilzcan, with second place going to Jackie Archer. The third-place finisher was Alvin Richards, followed by Brian Marston in fourth place.

The top three female finishers were Denise Butler, Deisy Alonso and Evelyn Barnes. Besides local players, the tournament attracted attendees from as far north as Orlando to Homestead and even a participant from Jamaica.

### **Table Tennis, December 5 & 6, Broward County Table Tennis Club**

It was 1971 and Wendell Newton found himself standing across the table from the second-ranked table tennis player in the world while representing his Air Force base in a tournament in Germany.

Fast forward 60 years and Newton and his son, Damon, *(on right in photo)* stood across the table from Winston Dowridge and Garth Jordan at the 2021 Florida Senior Games, playing for the gold medal in the Men's Doubles 55-59 age group.

Before competition began Monday morning, at the Broward County Table Tennis Club, Newton, from Melbourne, was honored with a Lifetime Achievement Award for competing in all four decades of the Florida Senior Games.

Throw in his experiences over six decades, it is a well-deserved honor for Wendell Newton.

"I won a tournament on the base that had about four guys in it, so they figured I was the best on the base," Newton said of his experience as the Air Force Base champion. "I was playing against the top guys from France, Germany and China."

Since 1996, when he won his first Florida Senior Games medal, he's playing the top table tennis athletes in the state of Florida. Much like his experience in Germany, in 1971, Winston Dowridge and Garth Jordan defeated the father and son, but that won't keep him from his

ongoing contributions to the table tennis community in Florida.

Using the experience he gained as a computer programmer in the Air Force and afterwards, Newton developed table tennis tournament software in 2002, that is still being used by sport director Brad Woodington.

“He’s a high order thinker,” said Ray Spann, the Florida Senior Games tournament referee, of Newton. “Not many people know that, but Wendell is absolutely brilliant.”

Besides Newton’s accomplishments, Patricia Benitez and Ricardo Abril, of Orlando, won their seventh mixed doubles gold medal since 2011, winning the 60-64 age group championship.

Benitez also won gold medals in women’s singles and women’s doubles, teaming with Juliana Milanov, of Winter Garden, in the 55-59 age group. Abril teamed with Michael Hodges, of Lakeland, to win the 60-64 Men’s Doubles championship and won a silver medal in men’s singles.

The second day of Table Tennis competition, a medal was placed around the neck of Lakeland’s John Shultz for the 29<sup>th</sup> consecutive year, the longest streak of any Florida Senior Games athlete.

Schultz won his 18<sup>th</sup> overall men’s singles gold medal, in the 85-89 age group. It was the seventh age group for Shultz to win a gold medal, dating back to 1993 when he was a 55-59 age group champion. He also teamed with Deane Chickering, of The Villages, to win the team’s ninth gold medal since 2008. Overall, Shultz has won 28 table tennis gold medals since 1993.

Because of that achievement, he was honored with a Lifetime Achievement Award for winning medals in all four decades of the Florida Senior Games.

### **Golf, Monday, December 5, The Club at Emerald Hills**

For the second consecutive year, Bradenton’s Ed Scheid, was honored with an award at the Florida Senior Games Golf Championships. To follow up his 2019 Male Athlete of the Year Award presentation of last year, Scheid was recognized with a Lifetime Achievement Award.

Scheid began his Florida Senior Games golf journey winning a bronze medal in 1999, in the 55-59 age group. At the 2021 Games, he brought home a silver medal in the 75-79 age group.

The overall low men’s score was turned in by Charles James, of Pembroke Pines, with a 79, one stroke below his age. He accomplished the feat in on an off rain showers during the round, that ended in a downpour as golfers were returning to the clubhouse. James also competed in Basketball Shooting and Bowling, in the 80-84 age group, at the 2021 Games.

### **Cycling, 5K/10K Time Trials, December 7, Fort DeSoto State Park**

Doug Webster (*pictured at left*) remembers every bit of his 10 minutes and 36 seconds during his 5K Time Trials ride at the 2021 Florida Senior Games Cycling Championships. He also remembers the 20 minutes and 54 seconds of his 10K Time Trials ride.

It's a big difference from his 2020 performance. He has no memory of his 10 minutes and 28 seconds ride in the 5K Time Trials.

After crossing the finish line and heading back to his car, Webster had a heart attack and dropped to the pavement in the parking lot at Fort DeSoto Park. An alert fellow rider saw Webster fall and called 911. Paramedics came and had to revive him with CPR before transporting him to the hospital.

"I died three times that day," Webster said. "Twice at Fort DeSoto and once at the hospital. I have no recollection of about an hour and a half of that morning. I remember getting ready before the race. I have no memory of riding in the 5K.

Webster's doctors told him most don't survive what he went through. His cycling training regimen of logging 8,000 to 9,000 miles per year is what was able to keep him alive to return to the starting line and cross the finish line with a full memory of the 2021 Games.

"I even went back to the place where I fell out," Webster said. "A lot of the other riders remembered me and said, 'Oh, you're that guy.'"

For his performances, Webster earned a pair of bronze medals and qualified for the 2022 National Senior Games. After the top two finishers in his 70-74 age group left the medal stand, Webster joked, "I think I'll stick around up here. I don't get here often."

His determination was evident in getting back to the 2021 Games as he was walking a ½ mile around the block at his New Port Richey neighborhood within two weeks after being released from the hospital. Not much longer after that, he was back on a stationary bike at his house and in physical rehabilitation.

While he's not back up his previous standards of training miles, he'll eventually get there.

"I only logged about 5,000 miles this year," he said.

Webster and his fellow riders rode through a thick early morning fog, but other than the fog, conditions were ideal for time trials racing, according to the cycling sport director, John

Sinibaldi.

“There’s almost never a day when there’s no wind at Fort DeSoto Park,” Sinibaldi said, a St. Petersburg resident and regular rider at the park. “But there’s no wind today. It’s great conditions, except for the fog.”

Joseph Frost, of The Villages, turned in the top overall times in both the 5K and 10K Men’s Time Trials, winning the 50-54 age group gold medals, with times of 6:55 and 13:59, respectively.

Kimberly Besuden, of Tavares, turned in the best overall women’s times in both events, crossing the finishing line of the 5K in 8:03 and the 10K in 16:20.

### **Track and Field, December 10-12, Ansin Sports Complex**

The 2021 Florida Senior Games Track and Field Championships featured throwing heavy objects, six to 12 pound hammers, for the first time since the 2000 Games.

“We’ve been holding the track and field events at high schools in past years and they don’t have the facilities for the hammer throw,” said FSG Track and Field Sport Director Tony Tussing, of DeLand.

Mirarmar's Ansin Sports Complex is an IAAF (International Associations of Athletics Federations) Certified facility that hosts national and international competitions.

Of the 22 athletes competing, Roland Jones, of Seffner, had the longest throw of the night, at 125 feet, five inches, to win the gold medal and set a new record in the 65-69 age group. Overall seven (two women, five men) age group records were set in the hammer throw.

The longest women’s throw, of over 73 feet, was recorded by Cassaundra Ferguson, of Warner Robins, GA, to win the 55-59 age group gold medal. The 2009 FSG Female Athlete of the Year, Avis Vaught, won the gold medal and set a 70-74 age group record with a throw of 57 feet, three inches.

On Day Two of the Track and Field competition, it was mentor and protégé day at the field events, as two coaches competed alongside their former athletes.

Neva Weiskopf, of Lehigh Acres, threw the shot put with Joy Fleet Rogan, of Melbourne, who she taught and coached at Roxbury High School, in New Jersey.

After catching up on Facebook, Neva noted that Joy was approaching Florida Senior Games competition age and coaxed her into joining her at the 2021 Games.

“She was like a surrogate mom to me, besides a coach and teacher, in high school,” said Rogan. “She came along at the right time in my life.”

Rogan won the women’s 50-54 age group shot put gold with a throw of 26 feet, 9 inches and Weiskopf won a 70-74 age group silver medal with a throw of 17 feet, 5 inches.

Weiskopf taught and coached in New Jersey for 25 years and has been competing in the Florida Senior Games since 2005. Rogan relocated from New Jersey to Melbourne and now directs the color guard at Eau Gallie High School. This was her first Florida Senior Games competition.

Ahmed Shabazz, of Pendleton, SC, caught up with Paul Sabree, who he coached at Pendleton High School. Shabazz competed in six field events Saturday and will run in four events Sunday. Sabree will compete in 50 and 100 meter dash on Sunday.

Besides his coaching career in South Carolina, Shabazz also coached the Army Ranger Track and Field team in Japan from 1968-71.

A total of 10 age group records were broken in the six Field events of the 2021 Games. Linda Lowery, of Smyrna, GA, set her third Triple Jump record with a leap of 23 feet, five inches to set the mark in the 70-74 age group. It was the longest triple jump of all women in the event. Lowery set the 60-64 age group record in 2013 and the 65-69 record in 2016.

On the event’s final day on the track, 90-year old Hugh Brotherton, of Englewood, was defying the odds with a 1500 meter Power Walk gold medal winning time of 12:13.94.

What made his performance one an odds defying one is because of the fall he took at the 5K Power Walk the previous day and suffered quite a few scrapes and bruises. He completed the race and earned a silver medal behind fellow 90-year old Gus Ormrod, of Fort Myers.

“I was ahead of him before I fell,” Brotherton said after receiving his silver medal on Saturday. On Sunday he was one second short of breaking Ormrod’s 1500 meter Power Walk record in the 90-94 age group. Brotherton set records at the Huntsman Senior Games, in October, 2021.

Other than Brotherton’s one second shy of the 90-94 age group Power Walk record, it was a fast track Sunday at the Ansin Sports Complex. Of the 23 records set in running events, 20 of the new marks were set in races 200 meters and less.

Earning gold medals and setting new age group records in all of the sprint races, the 50, 100 and 200 meter dashes, were India Bridgette, of Marietta, GA, in the 50-54 age group, David Gibbon, of Cottonwood Heights, UT , in the 55-59 age group and Rod Lehman, of Oak Hill, in the 70-74 age group. Besides setting the records in all three races, Gibbon established top overall best times running a 6.55 in the 50 meter, an 11.94 in the 100 meter and a 24.89 in the 200 meter dash.

In what she claimed to be her final Florida Senior Games appearance, the 2003 FSG Female Athlete of the Year, Madeline “Tiny” Cazal won four gold and two silver medals in the 80-84 age group. Cazal holds 13 FSG Track and Field records, the Discus Throw and Long Jump are her top events as she holds three age group records in those categories. She has also been a constant member of the Golden Gals Softball team, that won a gold medal at the 2021 Huntsman Senior Games.

Cazal is not shying away from athletic competition in The Villages, just focusing her efforts on other endeavors. “I’m just looking forward to playing some more golf and bowling,” she said.

#### **Horseshoes, December 10, Ed Wright Park, Clearwater**

Among those throwing horseshoes, Bill Kraengel, of Tarpon Springs, had the best men’s game and best overall ringer average. He pitched 18 ringers out of 30 shoes for 60% in one of his games and averaged 41.67% ringers for both games. It was Kraengel’s third gold medal in the 75-79 age group in the last four years.

Claudette Braswell, of Lake Wales, *(pictured at left)* had the best women’s game and best overall ringer average. She pitched 13 ringers out of 30 shoes for 43.33% in one of her games and averaged 35.00% for both games.

Braswell, the 2007 Florida Senior Games Female Athlete of the Year, won her 13<sup>th</sup> horseshoes gold medal since 2008.

#### **5K Road Race, Race Walk and Power Walk, December 11, Vista View Park**

Robert Thornhill, of Lakeland, crossed the finish line as the first overall finisher with a time of 18:32.99, but he didn’t stop there.

Thornhill left the 5K Road Race to compete in the swimming 200 yard freestyle and won a 50-54 age group bronze medal, with a time of 2:31.90. He was also the top 5K Road Race finisher at Vista View Park in 2019, with a time of 17:40.50

The top women’s finisher was Angelika Grubel, of Ormond Beach, with a time of 21:40.72, winning the gold medal in the 50-54 age group. Much like her top overall male finisher

counterpart, Grubel pulled double duty, lacing up the running shoes the following day at the Ansin Sports Complex. She ran in all of the running events from the 50 meter dash to the 1500 meter run, with the exception of the 800 meter run. ### **Swimming, December 11-12, Coral Springs Aquatic Center**

Shirley Chase was so excited to be finished with the 500-yard freestyle swimming event, where she swam 20 laps, she decided to swim two more.

While pool bystanders tried to get her attention to stop, fellow swimmer Jocelyn Lowther commented, "She's taking a victory lap."

By touching the finish line in all four freestyle events this weekend at the Coral Springs Aquatic Center, the 96-year old Chase, from St. Augustine (*pictured at right*), became the first swimmer in the 30-year history of the Florida Senior Games to compete in the 95-99 age group.

She becomes the 14<sup>th</sup> Florida Senior Games athlete to compete in the 95+ age groups and is the fourth woman, joining Arda Perkins, Lillian Webb and Mary Kemp in the elite club.

The 500 yard freestyle, a grueling 20-lap race, is scheduled for the final race of the two days of Florida Senior Games swimming. Of the 170 swimmers who registered to compete in the 2021 Florida Senior Games Swimming Championships, Chase was one of only 41 swimmers to complete the 500-yard freestyle.

"It took every ounce of strength I had to finish that race," said Chase after winning gold medals in the 50, 100 and 500 yard freestyle on Sunday. She began her historic swimming performance on Saturday winning the 200-yard freestyle.

Chase has been swimming in the Florida Senior Games, since 2004, when she was in the 75-79 age group, and has competed in the National Senior Games since 2011. She is quick to point out to everyone, “the Harvard Medical Journal calls swimming the best exercise available.”

She will also be quick to tell everyone she has lived a good life and is happy to still be swimming and competing. Chase attended the 2021 Florida Senior Games with her son, Mark, and friend and coach Mary Converse.

Joining Chase in setting records in all four events she swam was Kelly Palace, of Rockledge. Palace won gold medals in the 60-64 age group and set records in the 50, 100 and 500-yard freestyle events. She also set the 200 freestyle record on Saturday in the 60-64 age group.

Over two days of swimming at the Coral Springs Aquatic Center, a total of 55 age group records were broken.

Other record-setters included, Paula Texel, of Clearwater, who set new marks in the 50-54 age group in the 200 freestyle, 200 backstroke and 100 IM. Michael Aubrey, of Wilton Manors, had record-breaking performances in the 60-64 age group 50 and 100 breaststroke and 100 IM. Mike Freshley, of Orlando, broke 80-84 age group records in the 50 and 100 breast and the 100 IM. Gordon Ralph, of The Villages, was a 90-94 age group record breaker in five of the six events he swam, including the 50 breaststroke and 100 and 200 backstroke.

Some hometown heroes swam and added to their record-setting totals. Cav and Debbie Cavanaugh, of Fort Lauderdale, combined to win nine gold medals, while Cav set records in all three events he swam in the 85-89 age group. Debbie had one record-setting performance and won six gold medals. In the 2019 Games in Fort Lauderdale, Cav set two records in the 80-84 age group and Debbie, four in the 60-64 age group). Cav also holds two records, going way back to the 2000 Games, setting the 50 and 100 freestyle records in the 65-69 age group and now holds records in three age groups.

### **Bowling, December 11 & 12, Strikers Family Sports Complex**

It was a record-setting weekend for Corrine Bjerke, of The Villages, (*middle in photo on left*) adding her name to the Florida Senior Games Record Book in Women’s Doubles and Mixed Doubles. She teamed with fellow Villages resident, Dennis Farris, of The Villages, to set a new Mixed Doubles Bowling mark in the 70-74 age group with a combined score of 1,246. They topped the previous mark of Ona Wood and Harry Witt, set in 2017. Farris had a three-game total of 631, while Bjerke had a 615 in her three games.

Bjerke also teamed with Luanne Giragosian, of The Villages, (*on right in photo*) to set a new women’s doubles mark in the 65-69 age group with a 1,220, breaking the previous record of 1,155, set by Erlene Kapiton and Arlene Lavine in 1995. It was the longest-standing Florida

Senior Games Bowling record until Saturday when Bjerke and Giragosian topped the mark by 65 pins. Bjerke tallied a score of 651, while Giragosian rolled a 569.

In both record-setting performances, Bjerke had the highest women's individual game score of both events. She rolled a 259 in the third game of Mixed Doubles and a 256 in the third game of Women's Doubles. In each of those performances, she increased her score in each of the three games to the final top score.

### **Volleyball, December 11 & December 12, David Posnack Jewish Community Center**

The Great Expectations Women's Volleyball team, from Maryland, was undefeated in five matches to win 50-54 age group gold medal. Great Expectations won two matches in pool play and three in bracket play. They won their first four matches in two games, but went to three games in the final of bracket play. After dropping the first game of the match to Strike Force, of Homosassa, 29-27, Great Expectations rebounded to win the next two games 25-22 and 15-11.

The Great Expectations team is made up of Christian Aleman, Carla Benavides, Pam Buchanan, Maria Caceres, Soledad Chacon, Cecilia Peyrano, Judith Martinez, Olga Navarro, Bertha Otoyá Loper, Gloria Ruiz and Robin Nealous.

A local Broward County team, the Lauderdale 55s won the 55-59 age group Volleyball gold medal defeating the Spikers, a Tampa Bay area team, in three games of the championship final. After splitting the first two games, Lauderdale jumped out to a 4-0 lead in game three and never trailed. With a 13-11 lead, Lauderdale took advantage of a Strikers service error and hitting error to score the last two points and the win. In the championship match, Lauderdale avenged a three-game pool play loss to the Strikers.

"We've never really played together before this weekend and we got better as the day progressed," said Lauderdale team captain, Charles Donato. "We also took advantage of some of their errors."

Sandra Garner, the 2020 Female Athlete of the Year, was presented her award on Saturday, December 11, in a break between games of her gold medal winning team, the VolleyFrogs.

Garner was a gold medalist in 2020 for the Beaches 55+ volleyball team that has been playing in the Florida Senior Games since 2014. At the track, she won a silver medal in the pole vault and a bronze medal in the high jump in the 60-64 age group. A regular on the volleyball court since 2014, Garner began the track and field events in 2018. She was a member of the second-place 60+ VolleyFrogs team at the 2019 National Senior Games and the third-place Beaches team in the 2017 National Senior Games.

## **Powerlifting, December 12, Rick Case Arena at Nova University**

Sandy Simmons, of The Villages, won three of the four Best Lifter awards earning the Best Deadlift, Best Push Pull and Best Full Powerlifting honors. The awards are determined by using the McCullough Formula, according to sport director Robert Keller, that combines the age and body weight of the lifter with the weight of the lift.

The 73-year old Simmons joked, "it's easier when you get older."

The Best Bench Press Award went to Cora Hunt, of Jacksonville.

The Male Awards went to three different athletes with Damian Fronzaglia, of Margate, winning the Best Bench Press, Warren Dickerson, of Jacksonville, winning the Best Deadlift and Best Push Pull, and Julian Ulvang, of Davie, won the Best Full Powerlifting Award.

Those in attendance were surprised to see former Heavyweight Champion Evander Holyfield among the spectators in the crowd. Holyfield, a resident of Hollywood, was there to watch a friend of his, WSVN Miami Sports Anchor, Mike DiPasquale competing in the 60-64 age group.

DiPasquale is an award-winning journalist who has reported both local and national stories, including the World Series, Super Bowl, the 1996 Olympic Park bombing and Major League Baseball's All-Star game. He is also an accomplished athlete and is a member of both the U.S. Olympic Bobsled Federation and of the U.S. Weightlifting Federation. In 2019, Mike won a Team USA Bronze Medal during the Pan American Championships Olympic Weightlifting.

## **Pickleball, December 16-19, Country Club of Coral Springs**

Gabriel Wong celebrated his 2020 Florida Senior Games Male Athlete of the Year Award, presented on the opening day of the Pickleball competition, by winning his fifth consecutive gold medal in the 75-79 age group.

Wong, from Ponte Vedra Beach, won his first two matches without allowing his opponents a point, in one game matches. In the final two best-of-three matches, he won both in straight sets. He defeated Julian Gershaw, of Delray Beach, 11-9, 11-9, to win the gold medal.

He has pulled Florida Senior Games double duty in Pickleball and Tennis, since 2017, and has combined to win nine gold medals.

Michelle Foster and William Wilson, both of Bradenton, each won their second consecutive gold medal. Foster won the Women's Singles 60-64 age group gold and Wilson won the 80-84 age group gold. Wilson won the 75-79 age group gold medal in 2020. Foster and Wilson were undefeated in three matches of round robin play in their age groups, in one-game matches to 15.

A pair of Women's Pickleball powerhouses added to their Florida Senior Games gold medal totals as Erica Gonzalez and Jana Spano teamed to win the 55-59 age group Women's Doubles Championship Friday at the Country Club of Coral Springs

Together, the duo has combined to win 15 gold medals prior to the win. Gonzalez, of Poinciana, won 10 gold medals between 2015 and 2019, with three women's singles golds, five women's doubles and two mixed doubles in the 50-54 age group. Spano, of The Villages, won one women's singles gold, three women's doubles and one mixed doubles. Gonzalez and Spano teamed together to win the Women's Doubles 50-54 age group gold in 2019.

Gonzalez and Spano were undefeated in four matches in the 11-team double elimination bracket in the 55-59 age group. They defeated Denise Byers, of Sun City Center, and Cynthia Mitze, of Wimauma, in the championship match, 11-3, 11-1.

In the largest bracket of the day, the Women's Doubles 60-64 age group, with 14 teams, Holly Bacon, of Bonita Springs, and Audrey Bamberger, of Naples, emerged victorious. Bacon and Bamberger defeated Kaye Weldon and Elizabeth Wenzel, of Boca Raton, 11-2, 5-11, 11-5 in the final.

Over the final two days of Florida Senior Games Pickleball competition, a total of 123 Men's Doubles (53) and Mixed Doubles (70) teams were in action at the Country Club of Coral Springs.

In the 17-team Men's Doubles 60-64 age group bracket, David Leach, of Davie, and Wilfred David, from Coconut Creek, squared off against Casey Gunther and Owen Mitchell, in Games 1, 32 and 33.

In between those two games Leach and David advanced through the top half of the bracket while Gunther, from Hillsboro Beach, and Mitchell, of Eustis, faced elimination five times on the lower half of the bracket.

In Game One of the bracket which started at 12:00 Noon, Leach and David defeated Gunther and Mitchell to drop them into the elimination bracket. The duo then won four more matches to advance to the finals. Meanwhile, Gunther and Mitchell won five matches in the elimination round to set up a rematch.

“It was a long day, but it was fun, challenging and thrilling and we managed to get out with the win, said Leach. “I got out of there just after 8:00.”

What made it even more challenging for Leach and David was their winner’s bracket games were three-game sets to 11, while the elimination bracket matches were one game to 11.

Gunther and Mitchell avenged the earlier loss with a three-set win, 9-11, 11-9, 11-9. Leach and David returned strong from their first loss and won the if necessary, Game 33, in a winner-take-all game to 11.

In Mixed Doublec competition, Tobias Kaye, of Boca Raton, finally won a gold medal in the final of six events in which he participated in at the 2021 Florida Senior Games. Kaye also played in Men’s Singles and Men’s Doubles Pickleball, and earlier In the week, he won three silver medals in Racquetball events.
