2025 Florida Senior Games Highlights

December 6-14, 2025 – Florida's Sports Coast/Pasco County

The annual Florida Senior Games brings out the best in Florida's 50 and over athletes. Each December, athletes gather for a week of friendly and competitive events.

Day One of the 2025 Florida Senior Games found four former Athletes of the Year bringing their best game.

Robert Cseh (*pictured at right*), the 2023 Athlete of the Year, from Port St. Lucie, entered the Powerlifting record book as the first 90-94 age group athlete. He also holds three records in the 85-89 age group.

To accomplish his latest honor, the 90-year old lifter completed bench presses of 159, 165, and on his last lift, 176 pounds. Cseh weighed in Saturday morning at 178 pounds.

On his final lift, Cseh seemed to struggle and his arms began shaking. With several family members and those in attendance at Land O Lakes Recreation Center cheering him on, Cseh straightened his arms for a clean lift before spotters took control of the bar.

"There was never a doubt," Cseh said with a laugh walking away from the bench.

More Athlete of the Year Achievements

Rudy Vazmina, the 2015 Florida Senior Games Male Athlete of the Year, entered the FSG Swimming Record Book for the first time in the 75-79 age group, setting three new marks. Vazmina also holds records in the 65-69 and 70-74 age groups.

Already a record holder in the 50 and 100 yard breast stroke events in the 70-74 age group, he set new marks in the 50 and 100 yard breast, along with a record-setting performance in the 100IM. Vazmina also won gold medals in the 200 yard breast stroke and 50 butterfly.

The 2023 FSG Female Athlete of the Year, Patricia Benitez, from Orlando, won her fifth straight Table Tennis women's singles gold medal and paired with Juliana Milanov to win the women's doubles gold medal. Since 2011, Benitez has won a total of 31 gold medals since 2011.

Florida's favorite sharpshooter, Harry Carothers, of Pinellas Park, won three- gold medals in the 80-84 age group, hitting 28 of 30 free throws, tallying 14 points in spot shooting, missing only one shot and totaling 100 points in the timed field goal shooting event.

The 2004 FSG Male Athlete of the Year, Carothers increased his Florida Senior Games gold medal total to 56, since 1999.

Newcomer to the Game Shines

Competing in her first Florida Senior Games, Tracy Flynn-Hoyt (*pictured at left*), of Mercer, PA, won three Basketball Shooting gold medals connecting on 28 of 30 free throws and totaling 121 points in timed field goal shooting. Both were the second highest women's scores in the events in Florida Senior Games history.

Flynn-Hoyt hit the golf course a couple days later to win a gold medal in the 50-54 age group, shooting a 94. She also teamed with Sandra Civatarese, of The Villages, to win a Pickleball Women's Doubles gold medal in the 50-54 age group.

Following an Evening of Heavy Rain Golf Plays On

Golf was the 10th sport contested at the 2025 Florida Senior Games at the Plantation Palms Golf Course. Considering the four inches of rain that fell the previous afternoon and into the evening, it was quite a feat for 100 golfers to be on the course. Most golfers agreed the course held up well.

Putting aside the conditions, William Boyle, of The Village, recorded a 72 for the overall best score of the day to win the gold medal in the 65-69 age group. It was the lowest score in the Florida Senior Games since 2017, When Rick Butler, of The Villages, shot a 70.

"I had a better than normal day," Boyle said. "I landed my shots in the right place and I hit the greens. I think I hit the greens on 15 of the 18 holes."

Boyle's gold medal came in the largest number of golfers in an age group with 19. He topped the silver medalist, Brian Henderson, of Ocala, and Martin Black, of Clearwater by two strokes.

The top women's score was carded by Gayle Hazelwood, of The Villages, with a 91, to win the gold medal in the 65-69 age group. She came in one stroke ahead of Cindy Globush, also of The Villages.

George Ringham, of Sun City Center, won his seventh gold medal since 2018, with an 86, to win the 90-94 age group gold medal.

"I had a nine on my first hole," Ringham said. "Without that, I would have done better."

Athletes Follow Local to State to National Path on Tennis Courts

One question asked by many prospective athletes when they hear about the Florida Senior Games is, “How can I get involved?”

It starts at home. It starts at one of 21 Florida Senior Games Series Qualifiers held statewide from January through November.

At the 2025 Florida Senior Games Tennis Mixed Doubles event today at the Saddlebrook Resort, several teams earned gold medals as champions, after qualifying in their hometowns.

Vicki Gabbert, from Hernando and Douglas Dodd, of Inverness (*pictured at right*), proudly proclaimed they qualified at the first ever Inverness Senior Games, in February, to make their way to Florida’s Sports Coast and the Florida Senior Games. The pair won gold medals in the 60-64 age group.

“At the Florida Senior Games, you get to compete against the next level of competition,” said Dodd, a member of the Citrus County School Board. “These are players who won in their own cities and counties so it’s a much stronger field. It’s a very friendly event and good healthy exercise.”

While the 2025 Florida Senior Games is a “friendly event,” since it is not a qualifier to advance to the National Senior Games, the 2026 Games will be a bit more competitive. Athletes will be vying to advance to the third step of the Senior Games journey – Local to State to National.

Carl and Sheri Posluszny, of Port Charlotte, participated in the Charlotte County Fit for Life Games top advance to the 2025 Florida Senior Games and win a gold medal in the 55-59 age group. They completed the trifecta in the 2024-25 cycle and played in the 2025 National Senior Games, in Des Moines, Iowa, in July.

“We had a great time in Iowa at the National Senior Games,” said Sheri. “I was sick for most of the time we were there and I still had a great time.”

Ellen and Allen Kohn, of Palm Harbor, won their third mixed doubles gold medals today in the 70-74 age group since 2020. The Kohn’s have been competing in the Florida Senior Games since 2016 and have also run in the 5K Road Race. Both were wearing t-shirts from one of their many 5K Road Race events, but were unable to run in the Florida Senior Games 5K due to a previous commitment.

“What’s really fun about the Florida Senior Games tennis is playing against people in your own age group,” Ellen said. “It’s not like playing against players in their 40s and your getting smashed.”

The Kohn's and their opponents, Sue Cassella and Stuart Fisher, all qualified at the Polk Senior Games, in March.

The Florida Senior Games Tennis Championships, like the more than 20 sports offered in the state's only Olympic-style Sports Festival for athletes age 50 and over, starts at home and offers athletes a chance to test their skills against others from around the state and the U.S.

2024 Athletes of the Year Honored

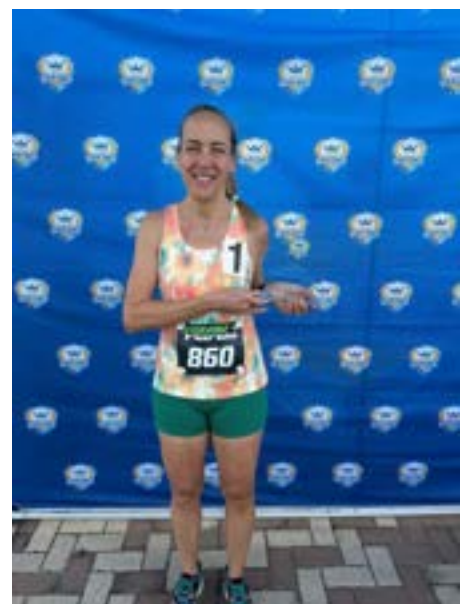

Lakeland's Janet Lamoureux and Pensacola's Lawrence Draeger, were honored at the 2025 Games as the 2024 Athletes of the Year for their accomplishments in the previous year's Games.

She was presented with her award on the final day of the 2025 Florida Senior Games after competing in the 1500 Meter Power Walk.

Lamoureux, won multiple medals in Track and Field, Power Walk and Road Race events in the 60-64 age group at both games. She is a Florida Senior Game record holder in three Power Walk events and set a Power Walk record at the 2025 National Senior Games.

Prior to receiving the award she won a silver medal in the 1500 Meter Power Walk with a time of 8:37.74. The previous day, she won a gold medal in the 5K Road Race in the 60-64 age group with a time of 23:25.

Lamoureux has been competing in the Florida Senior Games since 2015 and has been in every National Senior Games since 2017. At the 2025 National Senior Games, she won two gold, a silver and two bronze medals.

World Record Attempt at Track and Field

David Gibbon, from Utah, who regularly competes in the Florida Senior Games, attempted to become the fastest 60-year old in the World in the 100 meter dash at Cypress Creek High School.

"I am hoping to certifying a World Record if I were so fortunate as to run faster than the current World Records for the 100m and 200m in the Men's 60-64 age group," Gibbons said.

Having just turned 60 on Wednesday, December 10, he was eligible to set new Men's 60 World Records at Florida Senior Games. While he did establish a new Florida Senior Games record with a 12.30 in the 60-64 age group 100 meter dash, and won a gold medal in the 200m, with a 24.30, he came up short of the World Records of 11.70 100m and 24.00 in the 200m. The current American Records are 11.83 in the 100 and 24.14 200m.

“One never knows what will happen, but I have a chance to do something that no 60-year-old human has ever done,” said Gibbons

100-year old Shuffleboard Player

When George Darwin pushed his first disc across the court at the Zephyrhills Shuffleboard Club on Saturday morning, December 13, he became the fourth 100-year old athlete to compete in the Florida Senior Games.

Darwin joins John Donnelly (2005, table tennis), Roger Gentilhomme (2009, shuffleboard and tennis) and James Kales (2014, track and field – long jump, triple jump and discus, shot put)

as the three previous centenarians in the Florida Senior Games.

Darwin, of Zephyrhills, won a singles gold medal and teamed with R.L. Lay, also of Zephyrhills to win a doubles gold medal. Darwin previously played Shuffleboard in the 2023 Florida Senior Games as a 98-year old.

Born in 1925 in Grand View, Wisconsin, back in the “horse and buggy days,” according to Darwin, in small town of around 500 residents, in the very northern part of Wisconsin.

“Yeah, it’s right up there near Lake Superior,” Darwin said. “We would go into the big city of Ashland and it would take us two days to go 25 miles.”

Darwin, who turns 101 in January, must hold onto a walker to slide the four discs down the 52-foot court. “I have a little bit of trouble with my balance” he said.

However, his accuracy is dead on as his discs knock off his opponents off the court and land in the scoring areas.

Say Hello to the Florida Senior Games GOAT

Tom Brady has won seven Super Bowl Championships and Michael Jordan has won six NBA Championships. They are widely known as The GOAT, the Greatest of All Time.

The Florida Senior Games has its own GOAT in Dunedin's Ron Deckard. He's a six-time Horseshoes Senior Men's World Championship. Deckard accomplished a three-peat from 2007-2009 and won three more in 2010, 2013 and 2015.

At the 2025 Games, the GOAT was not only pitching horseshoes under the oak trees at the Clearwater Horseshoe Club, he served as the Event Director. The Club is Deckard's home away from home and a place where everyone knows and respects the GOAT.

At 84-years old, his status was once again acknowledged as he recorded the highest ringer percentage of the competition, a 56.67%, hitting 56 ringers in 90 pitches from 30 feet. He won his fourth consecutive gold medal in the 80-84 age group.

When Deckard was winning his six championships, he competed in the Senior Division (age 60-69), pitching from 40 feet. Even after he reached age 70, he continued in the Senior Division, rather than moved up into the Elder Division.

Deckard's World Championship appearances saw him travel to Topeka, Kansas, York, Pennsylvania, Cedar Rapids, Iowa, Springfield, Illinois and St. George, Utah.

"We pitched horseshoes for three days in preliminary rounds and then it came down to the top 16 ringer averages out of a field of 60 to 80," Deckard said. "We pitched for five days total."

Besides his six World Championships, Deckard has won 14 Florida State Championships. Success like that earns you an induction into the National Horseshoe Pitchers Association National Hall of Fame, which came in 2013.

He's also a member of the Florida Horseshoe Pitchers Hall of Fame. Photos of Hall of Fame members line the walls of a small conference room at the Clearwater Horseshoe Club.

Deckard's photo is among the many on the wall and his World Championships are recognized on a wall in the front of the building. It's located right behind the chair and desk where he sits while organizing and directing tournaments.

While Florida's GOAT of Horseshoes was holding court in Clearwater, Florida Senior Games pickleball players were striving to reach the heights of Deckard's humble championship pedigree.

Owen Mitchell, of Eustis, won his fourth Men's Singles gold medal since 2019, taking the 65-69 age group, Division 4 gold. In Women's Doubles, Jana Spano, of The Villages and Cassandra Rollins, from Lady Lake to win the 65-69, Division 4 gold medal. Spano and Rollins teamed together to win the gold medal in the 55-59 age group in 2022 and won gold medals with other partners to make this their fourth consecutive women's doubles gold medal.

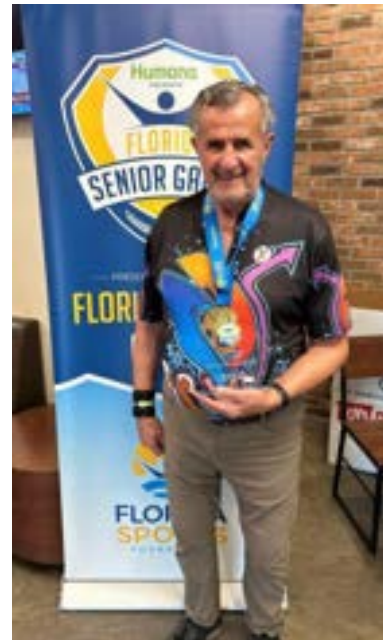

Pensacola Bowler Adds Another Award to his List of Accolades

In 2008, Lawrence Draeger (*pictured at right*) made his way from Pensacola to Fort Myers for his first Florida Senior Games. After 17 years of traveling to the Games from the farthest northwestern part of Florida, to Fort Myers, Polk County, Clearwater, Fort Lauderdale and Pasco County, he earned the 2024 Florida Senior Games Male Athlete of the Year.

His honor was well deserved as his list of accomplishments over the years is impressive. In 2011, he became the third of only seven Florida Senior Games bowlers to roll a perfect game. He has won numerous men's singles, men's doubles and mixed doubles gold medal and has represented Florida at the National Senior Games.

At the 2025 National Senior Games, in Des Moines, Iowa he won a bronze medal in the Men's Singles 85-89 age group. Draeger won two gold medals at the 2024 Florida Senior Games.

At the 2025 Games, Draeger, won a gold medal in Men's Doubles with Gary Harlan, in the 85-89 age group. He returned to the lanes the following day to win a gold medal in Men's Singles and Team Bowling gold medal.

Nearly matching Draeger's perfect game of 2011 on Saturday, was Lakeland's Stan Sprow, who rolled 11 consecutive strikes in the second game of Mixed Doubles. His final roll on the 12th frame fell short of the perfect game and he finished with a 296.

More Fun from the Weekend

James Murphy, of Fort Myers, navigated the 5K Road Race course at Jay B. Starkey Wilderness Park, in record time, as the first overall finisher in the wilderness of Pasco County. His time of 19:36 established a new record in the 65-69 age group, topping the previous mark by 12 seconds, set by Craig Anderson, in 2012.

The top overall women's finisher was Sonja Friend-Uhl, of Boca Raton, who crossed the finish line with a time of 20:26, to win the gold medal in the 50-54 age group. She has been a member of six United States world teams and competed in the 2000 U.S. Olympic Trials and holds four women's Master's (40 and above) records.

In the Field Events of the Track and Field Meet, Florida Senior Games athletes seemed to have springs in their shoes as all records broken came in jumps events. Amy Hadded, of Bradenton, and Peggy Peck, of The Villages established new women's High Jump records and Brian Hankerson, of Hollywood and Glenn Irion, of Abingdon, Virginia set new men's marks.

In the Long Jump, Hankerson topped his own mark in the 65-69 age group by two inches. He holds the Long Jump records in four age groups from the 50-54 to 65-69 age groups.

Irion also set a new record in the Triple Jump in the 70-74 age group with a leap of 30 feet, nine inches. He also holds the Triple Jump record in the 65-69 age group.

At the Cycling 20K and 40K Road Races, Kim Besuden, of Orlando, completed a four-for-four sweep of cycling gold medals winning two on Sunday, in San Antonio, to add to her two golds in the 5K and 10K Time Trials last Sunday.

Conditions at the Cypress Creek High School must have been very favorable for runners and walkers at six Power Walk and 15 Track and Field running event records were broken Sunday.

Sonja Friend-Uhl, of Boca Raton (*pictured at left*), broke her own record in the 800 meter run, 505-54 age group, which she set in 2022. She also won a gold medal in the 1500 meter run and the 5K Road Race on Saturday, as the top overall women's finisher.

Leslie Bennett, of Fort Lauderdale, established a new record in the Men's 400 meter run in the 80-84 age group. His time of 1:13.86, topped the previous record, set in 1999, by John Anoka, by nine seconds.

The 2025 Florida Senior Games were the first year of a four-year partnership with Florida's Sports Coast through 2028. The 2026 Games will be held, December 5-13, in Pasco County and is a qualifier for the 2027 National Senior Games, to be held in Tulsa Oklahoma, June 30-July 11, 2027.
